Your letter of June 11th, with enclosures, has been received.

Although I would like to be of service, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. You may be interested in knowing that Mr. Myron Fagan or representatives of the Cinema Educational Guild, Inc., definitely do not have access to the files of the FBI.

Enclosed is some literature which includes suggestions all of us can use in combating the evil of communism. Perhaps you may wish to read my books, "Masters of Deceit" and "A Study of Communism." These were written in order to help Americans gain an insight into the strategy and tactics of communists both in this country and abroad. Copies may be available in your local library.

To whom it may concern

I am enclosing three tracts concerning communism, and would like to know if you could verify any part of these tracts or all of the contents of them.

If these tracts are true, is there any other information concerning them that you could send me or any information concerning communism that may be in our school system's that could be known to the public.

I have became very interested in the threat to our country communism causes and the world as a whole, any thing I can learn about them would be appreciated.

Thank you
Mr. [redacted]

Dear Sir:

I am enclosing some pamphlets which were given to me to read. We have read several from the same course and several I know are true as they actually happened.

I don't know where they get their information.

I have a son in the service at present time and have had three others. And if the leader of this country is trying to sell us down the river, I think he should be impeached. My son, the same as a lot of other sons are in there to keep this a free America not to get killed for a false reason. If the leaders think that any red blooded Americans are going to sign up & than hand over their guns which is their protection for their family they have another think a coming.

I know that some of the high politicions are crooked and are looking out for no one instead of the interest and safty of the people who voted them in there.

I believe the people of this country have a right to know the truth about what's happening in this fair land of ours where our boys have fought & died to keep it free.

If you can't give me the answer maybe you will tell us who will.

Yours Truly

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—**drive** them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

—•—

NOTE:—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years (**still employ**) to retain their holds on both Hollywood and TV, and other **invaluable** information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. Fagan . . . this book will startle you—shock you—ENRAGE you . . . and make you FIGHTING mad! You can get this **sensational** book by sending $2.00 to Cinema Educational Guild, Inc.

Revised 1964
"RED STARS" — TRACT

THE REDS ARE BACK IN HOLLYWOOD!!!

—•—

AMERICANS . . . To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

Keep Them OUT of Your (TV) Living Rooms - Out of Radio - Off the Screen

—•—

This Tract tells how YOU can do it!

—•—

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Committee on Un-American Activities into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

industry and **all** the **named** Stars — **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!**—and all their "self-righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — **even the infamous "HOLLYWOOD TEN" are back again!**— and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room—**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

WORST RENEGADES OF ALL!

The Racial Upheaval is, today, the most vicious weapon of all to destroy our country, to transform it into a Negro Soviet America. Naturally, the Hollywood Reds know it—they are SUPPORTING it—they lead the Negro marchers in order to give them prestige. The **"March on Washington"** was designed to intimidate Congress into passing Kennedy's Civil Rights Bill. Among the Leaders in that **"March"** were Marlon Brando, Burt Lancaster, Paul Newman, Joanne Woodward, Joseph Mankiewicz and many known Hollywood and TV Reds . . . Not only that, but, immediately after the **"March,"** they called on all the Hollywood Stars **(the Reds)** to join in a **"performers' boycott"** of all segregated theatres, night clubs and Concert Halls. . . **"If every composer, every musician, every actor, EVERYONE in our profession refused to allow his contributions to be displayed in any segregated place it will be very effective—it will win the fight for the Negoes,"** said Brando.

Do we need any more proof that the Reds in Hollywood, Radio and TV are actively aiding the Communist plot to take-over America? . . . Do we need any more reason to drive them off the screens?

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — **and warn them** — so they can **warn** the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

SPECIAL - JULY, 1963 - BULLETIN

— SECTION TWO —

"KNOW THE TRUTH AND (if you will fight for it) THE TRUTH SHALL MAKE YOU FREE" . . . REMEMBER: God helps those who help themselves.

In his hysterical *"fright peddlers"* harangue, political-opportunist Kuchel frenziedly fulminated against one Theodore Jackman as the author of a *"vicious canard"* about the "WATER MOCCASIN" project in Georgia in March of this year. Kuchel screamed that Jackman had *"viciously"* implied treasonous objectives in a normal and *"perfectly innocent"* mock war maneuvers operation.

Well, I will concede that Kuchel was correct on one point: Mr. Jackman, *a dedicated American patriot,* WAS the Paul Revere who first sounded that *"alarm."* But in all other respects, Mr. Jackman was correct: The "WATER MOCCASIN" maneuvers was to have been the first of a series of similar projects planned for every state in the Union. It was to have been the perfect camouflage (*the plotters hoped*) for infiltration into the United States of at least two million foreign troops from various pro-Communist nations and from the new Afro-Asian *"nations"* created by the UN. The idea behind it was the creation of a *"United Nations"* army within the U. S. . . . the same kind of an *"army"* that transformed Katanga into a horrible shambles. . . . an *"army"* that was to be held in readiness for the final sequence in the overall Great Conspiracy for the take-over of America by the UN.

Now, I fully realize that to the vast majority of our still *"slumbering"* people, the above may seem utterly incredible. Indeed, to many, the entire Great Conspiracy I have frequently described seems too fantastic for credence. I can understand that reaction—because never in the entire history of the world has such horrifying and brazen treason been attempted, or contemplated.

Well, at this time, and because we are rapidly being pushed to the brink of total disaster, I shall pull out all stops in my effort to once and for all remove all doubts. To do it I shall spell out each and every step in the plot from the inception of the UN to the present moment—and I shall do it with RECORDED documentations so crystal clear that even a junior high school student will see through the entire plot. I will do it chronologically—and fit in the "WATER MOCCASIN" scheme in its proper sequence.

UWF "RESOLUTION" — PLOT ONE

I won't attempt to go into the history and background of the Great Conspiracy in this limited space—I provided all of it in our *"News-Bulletins"* Nos. 87 and 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE," Parts One and Two. But I do want to make clear at this point that the *"UN One-World Government"* was not a Stalin or a Roosevelt brainchild. It was not dreamed-up in Moscow—it was spawned right here in our own United States. It was—*and is*—the brainchild of the Satan's Disciples whom I have frequently described as the Hierarchy of the dread *"Internationalist - Communist Conspiracy,"* more easily identifiable as the *"COUNCIL on FOREIGN RELATIONS"*—the Machiavellian conspirators who created Russia into the Communist menace, who coddled and saved the Lenins and Stalins when they were threatened with extinction—*so that they would continue to serve the plotters' objectives!*

The UN One-World scheme was first discussed at the secret meetings at Dumbarton Oaks. It was elaborated in the secret meetings at YALTA—and put into working order at the San Francisco UN Convention in 1945.

Immediately after the UN Charter was approved by our Senate, they began to create "PEACE" organizations in various parts of the Country—such as *"Atlantic Union,"* "UNION NOW," "UNITED WORLD FEDERALISTS," "Federal Union," etc., etc. They devoted the remainder of 1945 and all of 1946 to set up all those organizations—SCORES of them. In January, 1947, the Executives of all the groups were summoned to a conference in Asheville, No. Carolina, set for February 21. This conference was called the *"First National Congress of World Government Organizations."* And at this convention it was decided to merge all of the smaller groups into one major organization: the "UNITED WORLD FEDERALISTS" (UWF)—and their *announced objective, to serve as a camouflage,* was: *"World Government with Limited Powers Adequate to Prevent War."*

Now, how were they to achieve such a *"World Government?"* Easy! Our own Constitution provides the way: get 32 State Legislatures to approve and pass a *"Resolution"* memorializing Congress to transform the United States into a unit of a *"Federated UN One-World Government."* And, presto!—that will be the end of a Free and Sovereign USA!

However, it wasn't going to be quite as simple as all that. The UWF *"Resolution"* reeked of the vilest kind of treason. Every Legislature was bound to have a few decent Americans in its membership— men who would retch at the very thought of the treason demanded of them. However, all Legislators are politicians—and there always are ways and means to "reach" politicians. Nevertheless, the whole thing had to be carefully planned, carefully organized. The most important thing was that the passage of the *"Resolution"* must be very hush-hush—not a word of it could be allowed to leak out to the public. Therefore, there was the tremendous task of screening every member of every Legislature in the 32 chosen states—and proper pressures found to *muzzle* those Legislators who would refuse to vote FOR the *"Resolution."* That required Lobbies in all those states— *powerful* Lobbies—Lobbies of men who are experts in the *"art"* of bribery—*"investigators"* adept at digging *"skeletons"* out of the closets of stubborn and/or reluctant Legislators, *"skeletons"* which could be used to threaten and blackmail such Legislators. Also, they had to get together a *"war chest"* of many MILLIONS of dollars—*they poured several millions into Sacramento, California, alone!*

It required two years of ceaseless and tireless work to accomplish all that. But by February 1949 they were ready—and

orders to "GO" were flashed to all their Lobbies. In March (1949) their "RESOLUTION" was approved and passed, SECRETLY, by the California Legislature—*and not one newspaper, not one Radio Station breathed one word about it!*. . . . Within three months 25 additional States SECRETLY passed similar "RESOLUTIONS". . . . *they needed only six more States!*

Then something happened—the one thing the plotters had always dreaded. There were two men in the California Legislature who could not be bribed, or blackmailed, or intimidated. Those two were Senators Jack B. Tenney and Hugh Donnelly. When they read that UWF "RESOLUTION," they were horrified —outraged. They employed every possible means to induce their colleagues to expose and torpedo the "RESOLUTION." But the UWF's chief Lobbyists, the infamous Artie Samish and Paul Smith, then publisher of the *"San Francisco Chronicle,"* had done a perfect job—not one member of the Legislature responded to the pleas of Tenney and Donnelly. Tenney tried to expose the plot through the press and Radio—he was given the well-known silent treatment.

Early in June, he came to me with his horrifying *"story."* We (CEG) promptly launched the *"crusade"* to FORCE the Legislature to haul out that "RESOLUTION" for review before a joint session of both Houses—*open to the public!*

I won't attempt to go into all the details of that *"crusade"* in this limited space. The UWF launched a massive and desperate fight to prevent that public *"review."* They were joined in that fight by the *"Anti-Defamation League,"* by the NAACP, by kindred groups of both. And, of course, I was their prime target —I was vilified as a *"negro-hater,"* an "Anti-Semite," etc., etc. On the other hand, once our *"crusade"* got under way, we were joined by the American Legion, the VFW, the DAR, and other loyal groups.

However, all that is irrelevant at this time. My sole objective is to establish, for those who may still have doubts, that there is a Conspiracy to destroy the United States—*a Conspiracy by men and women who call themselves AMERICANS.*

In late March of 1960, the California Legislature surrendered to the avalanches of demands from their constituents—the UWF "RESOLUTION" was reviewed—and on the first Monday in April it was denounced as a TREASON plot—and rescinded.

Now, that is not hearsay. It is a matter of RECORD in the official files of the California Legislature—and in the official files of the 24 other states whose Legislature promptly emulated the California action.

Nowthen: Kuchel ranted that the UN plot I revealed in my play "THIEVES PARADISE" was too fantastic for belief—*is it any more fantastic than the UWF "RESOLUTION" plot?*

(Note: All the salient features of that UWF incident are published in our "News-Bulletins" Nos. 92 and 93, entitled "UWF PLOT and JFK PLOT ARE TWINS—they also show that Kennedy's "DISARMAMENT" plot is virtually word for word a duplicate of the UWF "RESOLUTION." MCF).

UN INVADES AMERICAN CITIES — PLOT 2.

The smashing of their UWF plot was a horrible disappointment for the plotters. But it didn't daunt them. It didn't even slow them up. They immediately set in motion a completely different *"operation."*

The UWF plot was exploded in April, 1950. Less than six months later, early in September, Palm Springs, the most fashionable winter Resort spot in California, was suddenly *"captured"* by units of the U. S. Army *"Reservists."* The Mayor, the Chief of Police and all other civic officials were seized and jailed—and from the Friday of the *"invasion"* until the following Monday, that city was under MILITARY GOVERNMENT, with a strict curfew restricting the people to their homes from six P.M. to seven A.M.

Now, bear in mind, that *"invasion"* was made by U. S. troops, under the U. S. flag. They called it a "MOCK" Military Government "TAKE OVER," and didn't even deign to explain the reason for it.

But in August and September of 1951, approximately one year later, NINE other California cities, also cities in Texas and other States, were similarly *"captured."* All the Mayors, Police officials, etc., were *"arrested"* and *jailed;* all members of the Police Department were disarmed and restricted to their homes under the *"curfew law"* for all the peoples in the various cities. All of those invasions, as in Palm Springs, were accomplished by U. S. troops—*but all of the latter "invasions"* were made under "UNITED NATIONS" command. . . . and under the UN Flag (rag). In addition, their *official* UN order for the *"invasion"* was posted conspicuously in every City Hall, Police Station, Post-Office, etc., in every *"invaded"* city. The order read as follows:

"UN Order No. 1. . . . For CPX use only—Operation Sixar—United Nations Forces—Military Government of AGGRESSI. . . . Proclamation Number 1."

(Note: For complete clarification, we published a photostatic copy of that "order" in our "News Bulletin," No. 93. And we published the names of the "invaded" cities in "News-Bulletin," No. 91. MCF.)

As with the UWF plot, the UN *"invasions"* were intended to be completely hush-hush. The Mass Media were very accommodating and the local newspapers and Radio Stations in the *"invaded"* cities were kept silent *"by order of the UN."* However, in several of the cities the local police refused to be *"captured."* That caused quite an uproar—true, only locally, but it threatened to spread nationwide, especially after troops and officers assigned to additional *"invasion"* units refused to *"serve."* The alarmed plotters hastily halted all further *"invasions."*

That entire horrendous *"project"* was done without (*ostensibly*) the knowledge of (*then*) President Truman—SO HE SAID! . . . of our State Dep't—SO THEY SAID! . . . of the Pentagon—SO THEY SAID! Upon being questioned, the head of the Security Council of the UN said it was *"Simply a Dress Rehearsal." A Dress Rehearsal for what?* He refused further explanation—and Washington hushed it all up!!!

Now here is THE point: thousands of U. S. troops and officers were employed in all those operations . . . *by whose authority did they serve as UN "invasion" troops?*

In view of all that, can there still be any doubt that our "Leaders" in Washington are collaborating with the Masterminds of the Great Conspiracy to deliver the U. S. into their One-World Government?

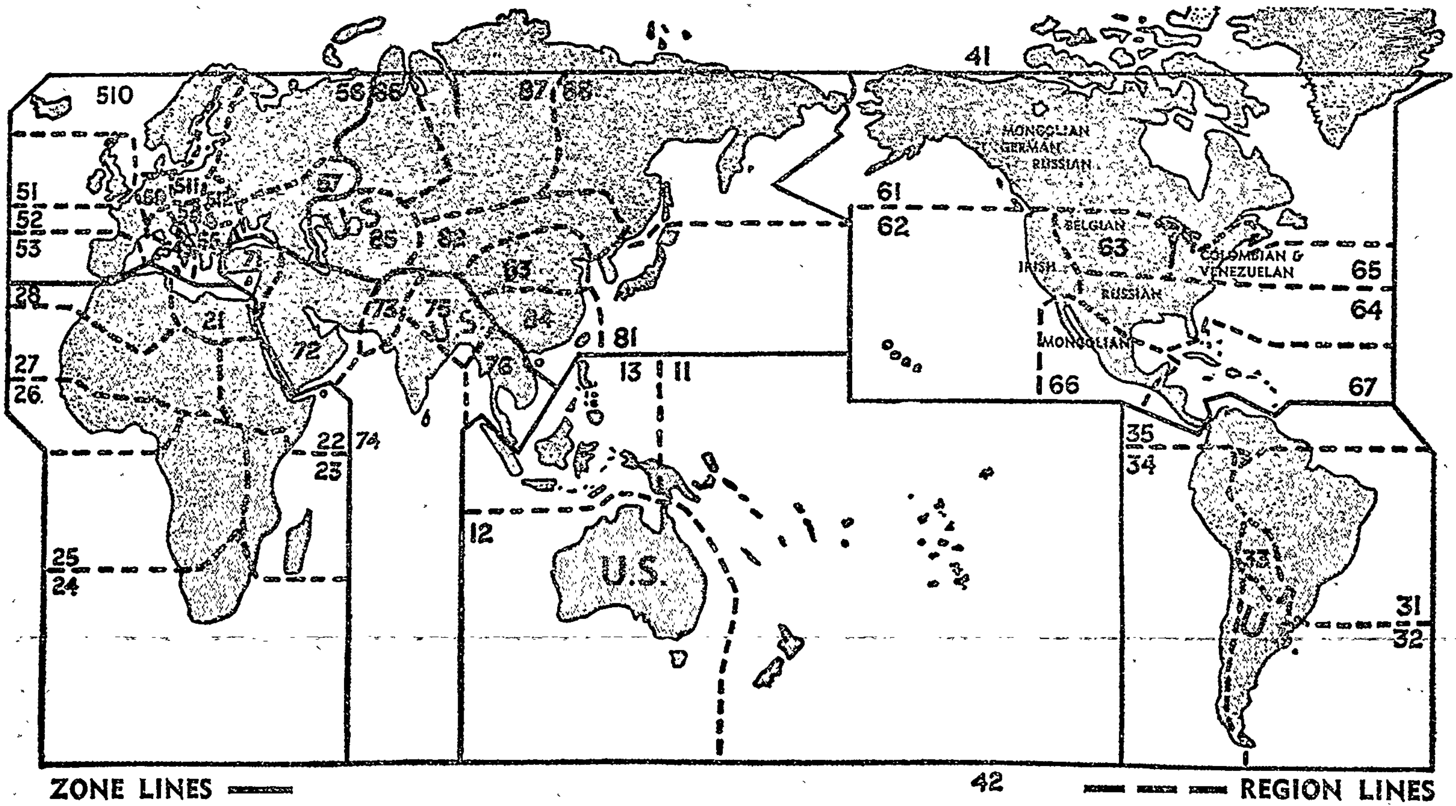

THE "ONE-WORLD" BLUEPRINT

That UN *"invasions"* caper had two objectives: . . . 1) Test the temper of the American people—would they surrender to invasions *by U. S. troops under UN Military command?* . . . 2) Could the U. S. Army be trusted to carry out such UN *"invasions"* on a nation-wide scale?

The answer to Question No. 1: Although the inhabitants were taken by complete surprise, there was quick resistance—notably where the police refused to disarm, and stood ready to repel the invaders with armed force. . . . only *"retreat"* of the *"invaders"* prevented bloody battles. Question No. 2 was answered by refusal of troops and officers to serve in the *"invasion"* units.

Under those circumstances, it became necessary for the plotters to review—and reconstruct—their plan of operation. Thus, late in 1952, the "WORLD ASSOCIATION of PARLIAMENTARIANS for WORLD GOVERNMENT" met in conference in London, England, at which time the "problem" was turned over for study by their "Big Brains." In 1954, they met again, in what was described as the "Sixth Annual Conference of the WORLD MOVEMENT FOR WORLD FEDERAL GOVERNMENT. The Conference ran from August 30 to September 3, and it was held at Canterbury Hall, Cartwright Gardens, Bloomsbury, UNIVERSITY OF LONDON W.C. 2" Delegates in attendance came from all parts of the world, including the United States (UWF) as well as from the British Commonwealth.

All the delegates were tried and trusted—and sworn to utmost secrecy. Each one was given a set of documents outlining the new plan of operation, together with a Blueprint (*map*) shown herewith, which is self explanatory.

WORLD GOVERNMENT PLAN — ALIEN TROOPS TO POLICE U.S.A.

In the preamble to the PLAN, it states that (A) the UN will proceed to a revision of its Charter and (B) this revision will transform the UN into a Federated World Government in conformity with proposals which provide in part (1) "once a State (nation) has been admitted into membership it shall have no right of secession." This proposal also provides for disarmament to be carried out by the One World Police Force which is provided for in proposal (2), viz., "this force to be responsible only to the One World Government and the various Agencies of the U.N." It also provides that each Province (nation) within the One World Government would be policed by foreign troops.

The map shows what alien troops would occupy and police the six regions into which the United States and Canada would be divided. Thus, you will note, the United States, according to their diabolical plan, would be policed by Mongolians, Belgians, Russians, Irish, Venezuelans and Colombians. No native Americans would be allowed to police American citizens.

The ruling body, or World Parliament, would consist only of appointed members. It would reflect population strengths, therefore Asia would dominate it. There would be a World Director, 8 Zone Directors and 51 Regional Directors. None of the Zone or Regional Directors would ever serve in their own countries. So, an alien would command the foreign troops stationed in the U.S. and through them enforce World Government law—and thus prevent Americans from "sheltering behind national allegiance."

THEIR "PLAN" GOES AWRY

According to their plans, the revisions in the Charter were to be achieved at the UN Convention to be held in Paris in 1955. But, alack and alas, as Robert Burns once expressed it, "The plans of mice and men gang aft agley." Apparently not all of the delegates to that "One-Worlders" 1954 meeting in London were as "trustworthy" as the plotters thought they were. One of them "leaked" the entire PLAN, including a copy of the MAP, to the late Col. Eugene Cowles Pomeroy, then in London. Col. Pomeroy, one of the most dedicated Americans I have ever known, promptly planed back to Washington, and alerted several of the more loyal members in Congress. They, in turn, promptly began to throw pertinent and very embarrassing questions at the Man in the White House (Ike) and the State Department—and those startled "Leaders" hurriedly "advised" the plotters to "forget" about "revisions" in the UN Charter—under these new circumstances, the U. S. Senate would not dare to pass such "revisions."

A PERTINENT REMINDER

For the benefit of the newcomers to our publications: Back in the early years of this century, Jacob Schiff and his co-conspirators realized that the unity of the American people would be the chief obstacle to their "One-World" conspiracy. In those years there were no serious "Minority Group" dissensions, no violent racial hatreds, no religious discords of any consequence. We were a closely knit people — closely knit in love of country. That unity had to be destroyed — the entire nation had to be broken up into bitterly quarreling fractions. To accomplish that, they set up the "Anti-Defamation League," to create and incite "Minority Group" dissensions—and the NAACP, to inflame the Negroes into murderous hatred of the Whites. The ultimate objective: uncontrollable nation-wide, riots and, finally, MARTIAL LAW. . . . to be enforced by the UN!

THEY REVERT TO ORIGINAL PLAN

Alerted by the "advice" from our "Leaders", the Plotters again met in conference in London, and decided to adhere to their (1954) plan of operation—even without the planned Charter revisions that were to have provided the UN with the authority to become the "enforcers" of Martial Law in the United States. . . . you see, they (correctly) assumed that at the proper time our "LEADERS" in Washington will find the ways and means to provide the UN with that authority.

The prime decision at this conference was to concentrate on an acceleration of the negro phase of their *"destroy the unity of the American people"* program—keep fomenting their hatred of the Whites on an ever-increasing tempo, inciting them into sit-ins, marches, riots on University and School campuses, crime, rapings of white women, etc., etc., etc., all under the protection of the authorities, of course—until the exasperated and terrorized whites will take the law into their own hands—and, then, Martial Law under control of the UN.

(Note: The step-by-step processes employed by the plotters to bring all that about are far too voluminous for the limited space in this "SPECIAL", but they are published in detail in our current "News-Bulletin," No. 98. Get a copy, it's a MUST for every loyal American. MCF.)

However, there are three vital problems that will have to be solved before that UN "D" DAY arrives:

1) It will be utterly impossible for the UN to (*successfully*) employ U. S. troops to enforce Martial Law *under UN command* —that became obvious during those 1951 *"invasions."* But, even if they could, a (*still*) loyal U. S. Army would never permit the transformation of the U. S. into a province of a One-World Government.

The Plotters are fully aware of that—that was why, "as their map shows, they decided that the U. S. is to be policed by foreign troops—

and all U. S. troops are to be shipped out to "police" other captive nations;

Solution for this No. 1 problem is already under way, viz: In September of 1961, the State Department issued their *"Publication 7277"*, in which they outlined plans for the complete disarmament of the United States—the transfer of all of our military equipment and our Armed Forces to the "United Nations"—and place our country under the *"protection"* of the UN. Very shortly after that publication was issued Congress was deluded and seduced into transforming it into *"Public Law 87-297,"* which gives the President (Kennedy) complete authority, *"at his discretion,"* to issue the *"Go"* order for the entire DISARMAMENT Plot.

(Note: Our "News-Bulletin" No. 91, entitled "WHY KENNEDY MUST BE IMPEACHED" contains a verbatim, word for word, reprint of "PUBLICATION 7277"—it reveals the entire "DISARMAMENT" plot. MCF.)

And here is the most amazing feature of this "PUBLICATION 7277"—it is, "virtually," word for word, a duplicate of the UWF "RESOLUTION" which the California Legislature was forced to rescind. That "RESOLUTION" was officially declared to be an outright TREASON plot—and the perpetrators outright traitors. Now you can see why Kennedy must be impeached—and he and his collaborators tried for treason fully as heinous as that committed by Quisling and Pierre Laval—for which both were executed by their governments.

"Problem" No. 2:— According to the over-all plan of the One-World Plotters, the UN would have to be provided with *at least* two million foreign troops to do as thorough a *"policing"* job in the U. S. as they did in KATANGA. How to get them into the U. S., and properly deploy them for the final *"take-over,"* was the *"problem."* They couldn't be *openly* landed on our shores—our Army would quickly annihilate them—*and our Army would have to remain intact for the early stages of the Martial Law phase.* Thus, the foreign troops would have to be brought in by stealth and guile . . . *with the help of our "Leaders"* in *Washington.* "The WATER MOCCASIN MANEUVERS," *one in every state in the Union,* was to be the trick that would do it!

Mr. Jackman first became aware of the so-called *"war games"* late in January of this year. Some of the strange and very unusual methods employed to organize for the *"games"* aroused his suspicions. He decided to go directly into the *"war games"* area and do some personal research. At the same time, he alerted us (CEG) to what was going on, and we launched a research on our own. Following are the results of the combined efforts:

Farmers and other land owners were being *"asked"* to lease landrights to the army—in total, approximately 1,500,000 acres. In addition, civilians in the entire area were being *"asked"* to participate in the *"realism"* of the *"maneuvers"* by hiding *"guerrillas"* in their homes, organizing escape routes, and transporting the *"guerrillas"* past possible ambush.

Thereupon, our researchers began to ask questions of the Army spokesmen—questions that obviously were disconcerting, and were met with evasion and double talk. One question was: *"Why such a vast area for ordinary 'war games'?"* The answer was that there would be 25,000 or more troops involved in it—another answer was that the Army intended to build a number of buildings (barracks) in various parts of the area to house the troops . . . *indicating that the troops were to remain in the area for an indefinite period of time!* It also quickly became apparent that the land owners *"being asked to lease their lands"* was a relative term—some of those who signed the leases have issued sworn affidavits that they were threatened and intimidated into signing — others who refused to sign were warned of dire consequences.

Naturally, immediately after the researchers began to ask their questions, the Army spokesman reported to Washington that *"there are 'snoopers' in the area."* McNamara promptly launched a *"managed-news"* cover-up. On February 13, the *"Savannah Evening Press"* laconically reported: *"Foreigners May Observe War Maneuvers in March."* A few days later it was: *"Foreign Allied Nations will participate as students."* The explanation that went with that was to the effect that *"foreign troops will be initiated in guerrilla warfare."* The first Army news release stated 7,000 troops would participate—later it was 5,000—then it was 3,000—then 1,000. Finally, it was just to be *"graduation exercises"* of 600 American *"students."* At first McNamara insisted that there were to be no foreign troops—then he contradicted himself and admitted that troops from 16 NATO, CENTO and SEATO nations would participate, *but he vehemently denied the inclusion of African troops*—then he again contradicted himself and admitted that it had been intended to include *"observers"* from Liberia and Indonesia. He also insisted that 2,500, not 1,500, 000, not even 25,000 acres, were to be under lease—and no civilians would be involved. In response to questions as to whether the foreign contingents would be so-called *"United Nation troops,"* he hastily assured: *"Oh, no, no, no—they would represent their own nations."*

However, just as there were at least two loyal Americans in the California Legislature, so do we have some loyal Americans in the Pentagon, and they revealed the complete story behind the "WATER MOCCASIN MANEUVERS" and that the entire project was to have been *"under UN command"* . . . The details are too lengthy for this limited space, but here it is in brief:

Mr. Jackman's original statements about the acreage, the 25,000 foreign troops to participate, the pressures, threats and intimidations practised on the residents in that area, were entirely correct. But, additional information revealed that the Georgia *"war games"* was only the first of such operations in every state in the Union—the one in Georgia was to have been in the nature of a test. Another one, scheduled for July 21, under code name *"Operation Swift Strike III,"* was to have launched 100,000 troops over six million acres in North Carolina, South Carolina and Georgia. Similar *"Operations"* had been set for Texas, California, Oregon, Washington, etc., etc., many of them simultaneously. However, *"Fright Peddler"* Jackman's revelation created too great an uproar—our brave *"Leaders"* in Washington hastily called off all further activities . . . I will follow this up in our next "News-Bulletin," No. 99.

"Problem" No. 3:—The Plotters always look ahead—and prepare, *in advance,* for all eventualities. Let's assume that all their plans have been carried out successfully—that the UN has its two million foreign troops poised for immediate striking action—that Kennedy and our other *"Leaders"* have successfully carried out their "DISARMAMENT" plot, thus leaving us without an Army, without a Navy, without ANY armed forces to resist the final UN take-over. An ideal situation for the Plotters, eh, what? But, wait! There still would remain a *"menace"* against which they must prepare—*in advance,* to wit:

In the American Legion and the VFW we have millions of men, veterans of World War II, the Korean War, etc., who are still capable of fighting a war to save our country—there are millions of other Americans who would pick up their guns and fight, just as the untrained farmers of 1775 fought for Liberty. All in all, combined, they could annihilate all those foreign troops, all the Reds, all the inflamed negroes, as our forefathers of 1775 annihilated the British and their Hessians. There is only one way to prevent such a grave danger—"completely disarm ALL of the American people—confiscate all types of weaponry and ammunition." Just how was that to be accomplished? Simple. Have Congress approve and pass a Bill making possession of a gun, "any kind of gun," and ammunition a CRIMINAL offense. So they had a New York Congressman, one Anfuso (Remember that name!), submit a Bill (HR613) to accomplish that kind of a Law. He has been submitting that BILL year after year — so far, with no success.

Fellow-American, what you have read in this *"Section"* is not fantasy. Every statement in it is based on concrete fact—on RECORDS!

In 1949 an alerted and outraged citizenry in California FORCED a stubbornly reluctant Legislature to review and rescind an act of treason, the UWF "RESOLUTION." The very same acts of treason are being committed in Washington. I have provided the full proof of it. It is up to the American people in ALL communities to FORCE our CONGRESS to do NOW what we in California did in 1949.

Now please read again the first *"section"* of this "BULLETIN" —digest it—then let your hearts and your love of Country tell you what to do.

Dear Mr. Hoover,

I received the attached leaflets in the mail. At first I was shocked. It seemed unbelievable. Now I am confused.

There are so many contradictory statements flying back and forth these days, I would like to know what is what. Can you please tell me if there is any truth in these leaflets.

Thank you very much for any help you can give me in this matter.

Mr. J. Edgar Hoover,
Federal Bureau of Investigation,
Washington, D. C.

Dear Mr. Hoover:

The enclosed "Special May, 1964 Bulletin...An Urgent Call To All Americans" was mailed to me, postmarked June 11, North Hollywood, California.

The more I look at this "yellow sheet", the more I feel that it should be turned over to the F.B.I. I wrote Myron C. Fagan, National Director, that this sheet was mailed to me without my requesting it...and what I, as a loyal, patriotic American citizen, feel about such anti-American propaganda.

The freedom of speech which Americans are privileged to enjoy, is not a license to lie...and these "hate our leaders" propaganda distributors, I feel, are doing our country great harm.

I sincerely trust that your office will look into this organization as well as the many others that are flooding our mails with similar material.

I have followed this "hate" material since the protestant ministers attempted at the National Democratic Convention in 1960 to have a resolution adopted that no one of the Catholic faith be allowed to be nominated as a candidate for the office of President of the United States, which was in strict violation of our honorable Constitution which makes it clear that a person's religion shall have no bearing on his right to hold public office.

Lee Oswald was a victim of "hate propaganda" ...and most likely in his twisted mind felt he would become a hero if he murdered our late and honorable President John Fitzgerald Kennedy. Unless this hate propaganda is curbed other great American leaders may be murdered.

I have answered as much of this propaganda that my busy schedule has permitted...and my mail box has become a receptacle for material similar to this sheet I am enclosing.

Very truly yours,

SPECIAL - MAY, 1964 - BULLETIN

AN URGENT CALL TO ALL AMERICANS

Fellow-American:

Through the years, since 1947, we have issued many "SPECIAL BULLETINS" similar to this one . . . *but each one was devoted to some specific very vital matter*, such as the exposition of the RED CONSPIRACY in HOLLYWOOD—the exposition of the "UNITED WORLD FEDERALISTS" treason plot—the complete unmasking of the "UNESCO" plot—the unmasking of the plot by Eisenhower and Nixon to repeal the *"Connally Amendment"*—the exposition of the "UNITED NATIONS" menace to our nation, etc., etc.

As a rule, all of our "SPECIAL BULLETINS" were addressed to the attention of our (CEG) members, but the information and directives in this "SPECIAL" are so extremely vital to ALL Americans that I address it to ALL "FELLOW AMERICANS," in the fervent hope that not only our members, but all of our non-member contacts will join in a movement to get copies of it to all other Americans in their communities.

I won't try to impress upon you HOW vital this document is—I prefer that you read, re-read it, digest it, and decide for yourself. But this I *will* say: It means the salvation of our Free America for you—*and for your children!*

All members of CEG are fully aware that Washington is a monstrous nest of treason. I—*and many others*—have time after time stressed that fact with documentary evidence. You and I know that as long as both of our national political Parties are controlled by the Masterminds of the Great Conspiracy *(the Council on Foreign Relations—CFR)* we cannot look to the President for salvation of our country—or to the State Department, or Defense Department, or to ANY Federal Agency controlled by the White House. In addition, we know full well that the U.S. Supreme Court is dedicated *(by CFR)* to the destruction of our Constitution and the protections that Document is supposed to guarantee for all of us.

Our only hope for salvation of our nation lies in our Congress—*because the people CAN control that branch of our government*—Congress CAN stop the President dead in his tracks . . . Ditto the State Department and ALL Federal Agencies . . . ditto *"the nine old men"* of the Supreme Court . . . *It CAN smash the entire Conspiracy by thorough investigations of the State Department and CFR—also the ADL and the NAACP and similar organizations.*

Unfortunately, however, time after time after time Congress too has betrayed the American people. In August 1962 we issued a *"Special Bulletin"* in which we revealed the voting records of all the men in both Houses of Congress . . . those records showed how they had been betraying us—*and still do! ! !* Nevertheless, I still say that we, *the people*, CAN control Congress—and *thus stop* ALL the TREASON in Washington . . . But, first, let me show WHY Congress has been betraying us:

Politics is the filthiest and most vicious *"game"* in our society. To the general run of politician TRUTH—HONESTY—INTEGRITY are merely obnoxious words in the dictionary. His paramount rule of life is ELECTION. To achieve that he will scheme, connive, cheat, lie, *promise* anything and everything—then, once elected, he blithely and unscrupulously goes on to betray his promises and his OATH.

In all fairness, however, that is not true of ALL the members of Congress. A considerable number of them remain true and loyal despite all pressures, all bribes, all coercions. There is another type of Representative and Senator, men who would like to be honest solons, but, who, lacking the integrity and manhood of the (above) first category, succumb in return for *"Federal Patronage,"* or surrender to threats of NO *"Federal Patronage"* . . . phony *"Military Genius"* Eisenhower played *that* game to a fair-ye-well; another prime example was Kennedy's politicking in Pennsylvania in 1962 when he bluntly *and brazenly* told the voters that if they wanted jobs in Defense Plants they'd have to vote for and elect his chosen men—*or no Defense contracts for their communities* . . . some of this same category are *bribed* by the support, *financial* and otherwise, of so-called Labor . . . some who represent Districts *(and States)* heavily populated by so-called Minority Groups are swayed by what they *think* their Minority Groups require of them. Many of this second category of solons can be salvaged and restored to complete loyalty—*once they know that their alerted constituents are watching them!*

On the other hand, there is a third category of *"men"* in both Houses who will never vote for pro-American legislation—who ALWAYS treasonously support anti-American legislation,—*and who frenziedly* oppose ALL pro-American legislation. Among such are Jake Javits, Kuchel, Fulbright, Wayne Morse, Hubert Humphrey, the Neuberger woman, Emmanuel Cellar, James Roosevelt, etc., etc. Those *so-called* solons are as anti-American as Gus Hall, Harry Bridges and Walter Reuther are *zealously* pro-Communist. Furthermore, all other Solons with 50 to 100 per cent anti-American voting records have been playing the game of the CFR, ADA, NAACP, ADL and other Fronts of the Great Conspiracy, and are, to all intents and purposes, in the Javits-Kuchel-Celler-Roosevelt ilk—*and MUST be torpedoed out of the political picture! ! And it CAN be done* by you and you and you—*if you will alert all the voters in your community ! ! !*

There are two specific reasons for all of the traitorous votings. The first has already been cited; to wit: bribes, coercion, pressures. The second reason is the virtually complete control of our Press, of Radio, of TV. Seldom, if ever, does the Press reveal how the individual solons voted for a Bill. It will report that 70 Senators voted FOR and 30 AGAINST the Bill—but they never, or almost never, reveal the names of the individuals who voted FOR or AGAINST. In other words, the voters are kept completely uninformed of how the men they elected into office serve them—or BETRAY them! Thus the renegade Legislators feel safe in their betrayals. Many people think that most of the Legislators operate on the arrogant *"To Hell with the public"* principle. The reverse is very much the truth—all of

them have a deathly fear of *"the people."* They operate their political chicaneries under a *"Don't Tell The People"* umbrella! . . . *But BEAR IN MIND, we, the people, can take* away that umbrella!—and torpedo all the traitors and renegades out of the political world.

THE CALIFORNIA (UWF RESOLUTION) EXAMPLE

For concrete proof of the above statements I will now *(again)* cite what happened in 1949-50 in California. In 1949 the California Legislature passed the UWF's traitorous "RESOLUTION", *virtually unanimously,* demanding that Congress transform the United States into a unit of a One-World (UN) Government. You know that entire horrifying story—we reprinted it in *"News-Bulletins"* Nos. 92 and 93; also, briefly, in 104. So you know all the alibis and phony excuses the California Solons gave for their acts of treason. But after the "RESOLUTION" was rescinded, *and properly branded as treason,* some of those Solons revealed how they had been threatened with destruction of their political careers if they didn't *"obey"*—some were even threatened with complete economic *(private businesses and professions)* destruction. But what influenced the most reluctant ones was a positive assurance by the UWFers that they had the Press and all other mass communications media FIXED so that none of *"the folks back home"* would ever know how they voted . . . *and that assurance was confirmed by all the press correspondents in Sacramento—ditto all Radio and TV news analysts.* And, *as we know,* nobody, *but nobody,* in California even knew that such a *"Resolution"* had been passed—until we (CEG) revealed it in our July (1949) "NEWS-BULLETIN" and simultaneously *flooded* all of California with a "TRACT" containing all the highlights of the plot. Immediately, *signed copies of the "TRACT",* accompanied by angry letters and telegrams, began to pour into Sacramento. At first, some of the Solons responded with supercilious *(some arrogant and insulting)* replies. But as each of our succeeding monthly *"Bulletins"* hammered away with further horrifying revelations which brought *ever-increasing avalanches* of angry letters from *"the folks back home,"* the Solons became less arrogant, less supercilious—they desperately tried to conciliate. But it didn't work—the anger of the *"constituents"* increased by leaps and bounds . . . *and the panic was on!* Finally, in March (1950), defying all frenzied appeals and threats from the UWF, the Legislature held joint sessions—*and rescinded the "RESOLUTION."*

Now, here is the most significant point of that incident: when we first launched our campaign for the rescission of the UWF "RESOLUTION," although our very first "BULLETIN" fully revealed the treason in that "RESOLUTION." The California Solons resorted to a *"don't know anything about it"* stance. Thereupon we issued a proclamation that, *immediately after they came off the press,* copies of each and every *"Bulletin"* and *"Tract"* had been delivered to each and every Assemblyman and State Senator. Thus every Solon knew that their treason was known to all of their constituents, knew that all further denials, excuses and alibis would only reveal to their constituents that they were *deliberate liars as well as traitors.* Hence the panic. With ELECTIONS in the offing, the Solons did not dare to face the wrath of the voters . . . *And here is further proof of the effectiveness of that technique: practically every Solon who had opposed the rescission was overwhelmingly defeated in the* 1950 *elections—and driven out of politics! !*

I will cite one more incident to completely establish that that technique of *"signed Tracts and angry letters"* is our most powerful weapon in our fight to save our Country:

Eisenhower's last act in office, *on orders from the Masterminds of the Great Conspiracy (the CFR),* was his frenzied attempt to force the repeal of the *"Connally Amendment."* You know all about that—how, using *"Federal Patronage"* as his bludgeon, he forced more than 70 Senators to pledge themselves to vote FOR the repeal. Well, we (CEG) promptly employed the very same procedures that torpedoed the UWF "RESOLUTION" to torpedo this attempted act of rank treason. As you may recall, two days before the *"repeal"* was to be voted, all of the 70 pledged *(and now panic-stricken)* Senators warned the phony *"Military Genius"* that, regardless of all *"No Federal Patronage"* threats, they'd have to vote AGAINST repeal . . . *the Bill was promptly withdrawn.*

The above incidents are only two of a number of similar treason plots, but I cite them for a specific reason: we lowered the boom on the renegades in the California Legislature in 1950, *an election year.* We might not have been as successful in an off-year. The same condition prevailed when we fought the plot to repeal the *"Connally Amendment"*—we launched our fight during an election year—those 70 *"pledged"* Senators might not have been as panic-stricken had we launched our fight *after* the elections of 1960 . . . *bear that in mind as you read further*—bear in mind that during the next six months your Representative and Senator will be desperately seeking re-election—and their re-election depends on you—they know that. Therefore, tell them IN NO UNCERTAIN LANGUAGE that they will NOT get your vote *unless they fulfill your demands!*

Today our nation is in greater danger than it has ever been—far greater danger than it was just a year ago . . . we have just the months between now and the November election to save our nation—*or to surrender it!* We still CAN save it if we can alert all loyal Americans to the danger—and show them how *they* can avert that danger. If you and you and you who receive this *"Special-Bulletin"* will get copies of it into the hands of all the voters in your communities—and if all of them will carry out the directives in this document, we positively CAN achieve our salvation. Following are the directives:

1) The real cancer in our nation is the "UNITED NATIONS" —*because that is the CFR's housing for their "One-World Government."* Every sub-plot for the destruction of our nation stems from that *"Trojan Horse"* within our borders. UNESCO, the DISARMAMENT plot, the "GENOCIDE" plot, the "World Court" plot, the "NEGRO REVOLUTION," etc., etc., all stem from that same CONSPIRACY.

When I wrote "THIEVES' PARADISE" *(play)* I had hoped it would alert the entire nation to the true character of the UN—and I would have succeeded had the Press given it the same consideration that it gave all my other more than 40 plays. But, as you know, they did everything in their power to suppress it—*and they succeeded.* Thereupon, I told that entire story in our *"UN Tract No. 1 and UN Tract No. 2."* Both of those *"Tracts"* demanded a Congressional investigation of the UN—*open to the public.* Had we succeeded in getting such an investigation it would have smashed the entire Conspiracy—it would have unmasked every traitor in the State Department, the Defense Department, in the White House, in the CIA, in ALL Federal Agencies. Nowthen, Rep. James B. Utt long ago submitted a Bill for such an investigation, as did Bruce Alger and others, but all those Bills have been locked up in the Judiciary Committee headed by Rep. Emmanuel Celler. If enough Representatives will get behind Utt they not only could force that Bill to a vote, but torpedo the traitorous Celler out of his chairmanship and out of the House of Representatives. Therefore, I URGE you to sign copies of the two UN Tracts and send them *as a unit* to your Representative with a *"do it, or else"* letter . . . and get everyone you know in your Community to do likewise. Please, *please* do it immediately for the love of God—*and the salvation of our Country!*

Do the same with the following demands, all embodied in various of our Tracts:

1) "GENOCIDE." For years the Masterminds of the Great Conspiracy have been trying desperately to force our Senate to grant this UN plot a special *"Treaty"* status. Our *"Genocide Tract"* clearly reveals how "GENOCIDE" would place all White Chris-

tian Americans under *complete* COMMUNIST UN control.

2) Equally as important as the UN Tracts, is our SCJ No. 1 Tract. This "Tract" demands the impeachment of EARL WARREN and the other pro-Communist Justices. The *"Tract"* provides all the horrifying reasons why Warren MUST be impeached. Read the *"Tract"*—after you have digested it I won't have to urge you to send it to your Representatives in Washington, *together with ANGRY Letters.*

3) The "UNESCO" Tract: I cannot stress too strongly the vast importance of this *"Tract"*—and why "UNESCO" MUST be thoroughly investigated by Congress—and OUTLAWED! Read it—and realize how it is being used to brainwash your children to hate parents and patriotism. THAT was what it was set up to do. If only for the protection and salvation of YOUR children you MUST organize all your friends and neighbors to FORCE Congress to take action immediately.

4) Our *"World Court"* Tract clearly reveals the entire plot to repeal the *"Connally Amendment"* and thus place our nation under the absolute control of the UNITED NATIONS *"World Court"* . . . *read it*—it will scare you half to death—then sign it and send it, together with an *angry* letter, to your Representative and Senators—*and get all your friends and neighbors to do likewise!*

(Note: Don't send all of the above "Tracts" in one letter. First send the two UN "Tracts" as a unit—a few days later send the SCJ No. 1 (IMPEACH WARREN) "Tract." In short, allow a few days interval between each "Tract" and letter—and DEMAND answers. Drops of water can wear away a stone—a constant stream of signed "Tracts" and letters will make your Representative and Senators realize you mean REAL business—and will scare them to death in this election year. There is one reason why I urge you to concentrate on the "UN Tracts" and letters—that reason is based on the fact that when and if we will kill the UN it will automatically kill all the other UN plots. The Conspirators know that—that is why they are so desperately trying to railroad our Senate into granting TREATY status for UNESCO, for GENOCIDE, etc., etc. MCF.)

5) Our "Tract No. 8" entitled the "JFK-LBJ DEATH TRAP FOR US" clearly reveals the entire DISARMAMENT PLOT launched by JFK and zealously pursued by Johnson. It reveals the plot to transfer all of our Armed Forces to the UN—and then transform the U. S. into a unit of a UN One-World Government. Read it—you will immediately join in the fight to FORCE Congress to haul up Johnson and his traitorous co-workers for the destruction of our nation—haul them in, try them, and give them the same treatment that Norway gave Quisling and France meted out to Pierre Laval.

6) Our *"Tract No. 9"* demands a Congressional thorough investigation of our State Department. For one thing, this *"Tract"* reveals how, using the "CULTURAL EXCHANGE" gimmick, the State Department opened the doors to ALL of our Defense Plants to Russian spies—how it gave the Russians access to all our secret armaments. Such an investigation will automatically reveal how top officials of that Department delivered Cuba to Castro and Moscow—and consistently aided and abetted Communists in take-overs of other Latin American countries, as well as the *"new nations"* in Africa and Asia. *We MUST FORCE Congress to unmask all the treason in the State and Defense Departments, in CIA and USIA!* Avalanches of signed *"Tracts"* and angry letters will do it.

(Note:—I stress the use of "signed Tracts" for one vital reason: Each "Tract" is like a "legal brief" in that it chronologically lists the acts committed by the men and/or organizations named in it. In other words, each "Tract" supplements your letter, or vice versa, and saves you the work of outlining your grievances in your letters. MCF.)

Now, I fully realize that in assigning the above jobs to you I am asking for a great deal from you, but there is still another very vital job to do, and that is:

DRIVE THE REDS OUT OF HOLLYWOOD AND TV! ! !

I won't try to tell you in this limited space just how vital it is to smash the treason in the Motion Picture and TV industries—neither an epidemic of Smallpox or Cholera is as deadly poisonous to our nation as the Reds in both Hollywood and TV. In 1961 I wrote "DOCUMENTATIONS OF THE REDS IN HOLLYWOOD AND TV," in which I reviewed in detail all of the poisonous treason committed by both industries up to that time. But what they have been doing since then is far more heinous. In our May (1964) *"News-Bulletin"* (No. 104) I reveal that entire horrifying story. I couldn't even scratch the surface of their treason in this document—I URGE you to get a copy of the May issue. What you will read in it will horrify you, sicken you, terrify you, but it will also enrage you into the kind of fighting spirit we MUST have to destroy those sources of treason—it will make you want to use your own two hands to tear limb from limb every Red and Fellow-Traveller in those industries—also the TV Sponsors who bring that poison right into your living room . . . *you will find complete instructions in "News-Bulletin" No. 104 how YOU can help to destroy those sources of treason.*

My friend, I repeat, I am asking a great deal of you, but let me show you that, just as the immortal Douglas MacArthur never asked his lowliest soldiers to do anything that he himself would not do, I am not asking you to do even as much as I have been doing for seventeen years. Now let me tell you a little secret: Today I am approaching my 77th birthday—back in the years when I was at the height of my career in the theatre I promised myself and my wife that when I would reach my 65th birthday I would cease all activities and devote myself to the quiet joys of life for the remaining years we would be on earth. Then, in 1946, I was made aware of what was happening to my beloved country—and all my plans and hopes and dreams of a leisurely old age vanished. My country was in grave danger and from that day to this I have devoted every hour of my life to try to avert that danger—my career became, in my own small way, that of a Paul Revere and a Patrick Henry—my only future is the future of my country . . . and I will continue to fight for it to the last day that God will keep me here.

In view of that, am I asking too much of you when I plead with you to mobilize all your friends and neighbors in your community into another Army of *"Christian Soldiers"* fighting for God and Country? After all, it is *your* country just as much as it is mine . . . *even more important, it is the country in which your children will have to live.*

WE NEED MORE "SOLDIERS"

Through the years I have constantly been urging all of our contacts, even non-members, to help increase our active membership. My reason for that is simple: the best *"fighting soldier"* is the one who knows exactly what he is fighting for, whom to fight, and *how* to fight the Enemy. That's what makes our (CEG) members such *"crack troops"* in this war. Our monthly *"News-Bulletins"* and *"Special Bulletins"* keep them fully informed of every twist and turn of the Enemy. We scorn the ADL's threats and *"Anti-Semitic"* smears—we scorn all the threats of the NAACP, of CORE, of the URBAN LEAGUE—we are not

the least bit intimidated by the threats of the *"powers-that-be"* in Washington. We publish all the facts of treason without fear of consequences, without regard for where *"the chips may fall."* That is the ammunition we provide for our members—*and all of them make wonderful use of it.* That's why if we had twenty, or even ten, additional members in your community they would awaken all the sleeping Americans in your midst. That's what we MUST have—a fully awakened nation. That would bring such avalanches of angry letters to all Representatives and Senators that Congress would be FORCED to give us the action we demand—*the only action that will save our nation.* Just the start of impeachment proceedings against Warren, or the start of an investigation of the State Department, or of the UN, will do a complete job of unmasking ALL the traitors—just one such investigation will completely unmask the CFR—it will smash the entire Internationalist-Communist Conspiracy. Please, PLEASE get us the additional *"Christian Soldiers"* we desperately need in your community . . . please help us to get copies of this *"Bulletin"* into the hands of every American in *every* community. We must start our action IMMEDIATELY. We CAN win this fight—*but we have only from now to November to do it.* Between now and November all Representatives and many Senators will come to their constituents and plead for re-election— we must tell them NOW on what conditions we will vote for them — let's do NOW what we did with that UWF RESOLUTION in 1949-50 . . . Please write me TODAY and tell me you are with us—*to win this final battle!*

ONE WAY YOU CAN GREATLY HELP

To get this project into QUICK action we must contact all the patriots throughout the nation (*including non-members of CEG*) who co-operated with some of our other projects. That means approximately 30,000 individuals, plus heads of all patriotic groups, American Legion and VFW Posts, DAR Chapters, etc. We are mailing this "Special Bulletin" to 15,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One dollar will finance 8 letters—ten dollars will finance 80 letters—one hundred dollars will finance 800 letters. Also, you may have friends and neighbors you'd like to *"alert,"* but can't spare the time to do it—or you may prefer to be anonymous—send us the list and the financing and we will be very glad to do it for you . . . *Let's get MILLIONS of copies of this "BULLETIN" into circulation.*

ANOTHER WAY YOU CAN HELP

As I have always told you, we depend upon our membership dues to defray all of our operational activities. We get no financial help from Foundations—we are too patriotic for them. Now we have this tremendous, *and tremendously vital,* job to do. It will require an enormous amount of printing, labor, postage—but I am sure you agree that it is a MUST job. So I now repeat my previous request: please endeavor to enlist some of your friends to become CEG members. The dues are only $12.00 a year—surely, the salvation of our glorious country is worth $12.00 to all loyal Americans . . . also, if you have not yet sent in your dues for 1964, please do it now—TODAY . . . we need it NOW to cover the tremendous mailing to launch this project to smash the CONSPIRACY—every extra dollar we will receive will enable us to do just that much more. PLEASE DO IT TODAY!

Yours for God and Country,

Myron C. Fagan

All our "News-Bulletins" are 50 cents per copy—25 cents to CEG members . . . our Tracts are $2.00 for 100 copies.

Additional copies of this "Special Bulletin" can be had for 15c a single copy—or 10c per copy in quantities. This "Special Bulletin" can help you to interest your friends in our objective.

Anderson Keynoter For Conservatives

Thomas J. (Tom) Anderson of Nashville, editor and publisher of Farm and Ranch Publications, will be the keynote speaker at a political convention of the National Conservative Council beginning July 23 in Chicago.

The council, a third-party movement claiming nationwide support, made the announcement yesterday in disclosing plans for the meeting. Anderson's wife was listed as chairman of two of the convention's committees.

The council's chairman, John W. Carter of Danville, Va., announced earlier this year that the council would nominate a presidential candidate if the Republicans do not choose a "constitutional conservative."

CARTER HAS declined to say whether Sen. Barry Goldwater, the front-running Republican candidate, or any other GOP hopeful would fit the definition.

Yesterday Anderson spoke at a New England "Rally for God, Family and Country" in Boston, attended by some 400 persons. The Nashville publisher attacked the late President John F. Kennedy as "an extremist who should have been impeached" and said of President Johnson:

"He will do whatever will profit him most. He never held a job in private industry. He's now worth $10 million to $15 million. I want to know how."

HE ALSO denounced former Presidents Franklin D. Roosevelt and Dwight D. Eisenhower, saying Roosevelt was "an All-American charlatan" and that Eisenhower "should be drafted to do sentry duty at the Berlin Wall."

The Nashvillian was enthusiastically applauded by the crowd at the closing session of the two-day rally.

The council whose convention Anderson will keynote later this month in Chicago has made arrangements to put its candidate for president on the ballot of many states of the Union, and is working at "ballot positions" in many others, according to Carter, its chairman.

COUNCIL affiliates in 30 states have indicated they will send delegates to the July 23 convention. Each state is to be allowed as many delegates as it has electoral votes.

In Virginia, a state conservative council affiliated with the national group is backing a presidential ticket of Goldwater and Texas Republican Sen. John Tower. Virginia will have 12 delegate votes.

The National Conservative Council was formed in Richmond last February.

Mr. J. Edgar Hoover, Director

Dear Mr. Hoover:

A tract ("Red Stars") has come to my attention; written by Myron C. Fagan & published by CINEMA EDUCATIONAL GUILD, INC., P. O. box 46205, Hollywood 46, California. This is very startling news if true or very vindictive, to some individuals, if it is false.

How reputable is Mr. Fagan? How authentic are the charges made on this tract and in his book "DOCUMENTATIONS of the RED STARS & FELLOW TRAVELLERS in HOLLYWOOD and TV.? Where is a good readily available source of information on Communist (Party & Members) activities. People such as Byran Rustin, organizer of the March on Washington; James Farmer of CORE; the controlling powers of the National Counicl of Churches; Walter and Victor Reuther of the UAW; Martin Luther King, Jr. of the Southern Council of Christian Churches.

Your consideration on the questions will be greatly appreciated by a loyal American father that believes that the greatest threat to our freedom is communist influence from within the ranks.

Yours very truly,

Dear Sir,

Thru the mail my mother received a tract that smells of a real hate outfit. It was from the "Cinema Educational Guild" P.O. Box 46205 Cole Branch, Hollywood, Calif.

Could you give any information regarding the background of this outfit? We don't know where they got our name and also don't want to be on their mailing list.

I would like to know (while I'm writeing this letter) if there is any breakdown on different religions and the %of criminals who profess to belong to these different denominations? I'am a bible student and greatly interested in finding out if a religion is the deterrant that it should be.

Sincerely,

TO : Director, FBI

DATE: 9/29/64

FROM : SAC, Birmingham (100-0)

SUBJECT: CINEMA EDUCATIONAL GUILD, INC.
HOLLYWOOD, CALIFORNIA
IS - C

Enclosed herewith is a photostatic copy of two pages of information put out, apparently by the Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood, California concerning certain individuals in the movie industry as well as television, who are stated to be more than 200 of the most rabid "Reds" and "Fellow Travelers." It refers to the red conspiracy in Hollywood and in TV.

One copy is enclosed for the Bureau and one for the Los Angeles Office. The copy received by the Birmingham Office is being retained in the file. It was furnished by Mr. [redacted], USAF employee, Birmingham CMO, Hayes International Corp., Birmingham, telephone at home [redacted]. In directing it to the Birmingham Office he asked that the FBI verify if the contents of this two page letter are true.

The information from Mr. [redacted] has been acknowledged by letter, and no action is being taken at Birmingham concerning this information since the individuals apparently are residents of the Los Angeles area.

It would appear that if indices searches at the Bureau and in the Los Angeles Office as to each individual named thereon should disclose the name of some individual about whom no information is known as to whether or not the individual has Communist inclinations or is a Communist, appropriate investigation might be instituted to determine any information to indicate Communist inclinations on the part of such individuals.

Dear Sir:

Will you please advise me if Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California is a legitimate corporation?

They have put out a pamphlet listing Bennett Cerf among over 200 other actors and actresses as communists.

Thanking you,

JANUARY, 1964

YEAR-END REPORT for our MEMBERS

Dear Fellow-American:

Any *"Report"* of the fateful events in 1963 must begin with the horrifying assassination of John F. Kennedy — and it must end with that assassination . . . If you find that statement ambiguous, or complex, I urge you to read this entire document with thoroughness — study it — digest it, and you will quickly see what I mean . . . you will see how this event *(the assassination of Kennedy)* can spell dire consequences for our nation.

To dispel all illusions of what I mean, I hasten to add that the death of John F. Kennedy, of itself, would never have brought any menace to the nation. He certainly was not an indispensable man, nor was he an irreplaceable one—as a matter of fact, it was at least an even chance that he would have been replaced in 1964. It was the manner of his death that makes his assassination a menace to our nation — it was the manner of his death that has made the name John F. Kennedy the most powerful instrument in the entire arsenal of the Masterminds of the Great Conspiracy . . . *as you shall see!*

(Note:—To save time and conserve space I will now repeat what I stated in a recent "Special Letter": There is a vital reason for this "repeat:" THIS is the document I am most anxious to get to all of our list of 30,000 non-members—that "Special Letter" contained some cogent information which EVERY loyal American should have—hence the "repeat." Also, I urgently request that all those who have read our "Special Letter" carefully read this "repeat," as it blends with, and clarifies, our plan of operation to get the whole story to all of the American people — and show them how THEY can smash the entire plot. MCF)

Actually, John F. Kennedy's death did not at all surprise me—although the manner of it shocked and horrified me, as it did the entire world. But I wasn't surprised, because in our December 1960 *"News-Bulletin"* I predicted that Kennedy would not complete his first term as President.

There were several reasons for that prediction . . . 1) I fully expected that Nixon would protest the vote count—which surely would have hurled Kennedy out of office, exactly as his grandfather *("Honey" Fitzgerald)* was kicked out of Congress . . . 2) It was commonly known that Kennedy was afflicted by a killer (ADDISON'S) disease, which could have cut him down any day . . . 3) In addition, there is the superstition, *supported by history*, that any man elected to the Presidency on the even score of years would die in office: Abraham Lincoln was elected in 1860—he died in office; Garfield, elected in 1880, died in office; William McKinley, elected in 1900, died in office; Harding, elected in 1920, died in office; Roosevelt, elected in 1940 died in office . . . *and now Kennedy!*

Moreover, immediately after that prediction appeared in our *"News-Bulletin,"* it was confirmed by several prominent astrologists, who stated that the stars definitely indicated that John F. Kennedy not only would not complete his first term, but that his end in office would be a violent one.

However, I most assuredly did not want him to come to his end by an assassin's bullet. I had hoped that the violent end predicted for him by the stars would come via *impeachment*—the first in our history. And, as I have stated, I was just as shocked and horrified by that dastardly act as Kennedy's most ardent worshippers.

There was another reason why I particularly deplored the assassination of Kennedy. By some it might even be considered a selfish reason—*if concern for the safety and the preservation of our country can be considered selfish* . . . I deplored that horrifying act because I knew that such a death would transform a common and unscrupulous politician into a national hero. It actually did more than that; during that tragic week-end, and for many days after that, virtually all of the American people were caught up in such a state of emotionalism that they endowed Kennedy not only with greatness and heroism, but even with *saintliness*—it silenced all those who until the very hour of the assassination had been bluntly charging Kennedy with vicious and brazen political charlatanry—and all the Radio and TV commentators of the Howard K. Smith and Chet Huntley ilk and newspaper columnists of the Walter Lippmann ilk spouted the word *"martyr"* with every mention of the assassination . . . *and that is something that I will scotch right here and now*:

Just exactly what does the word *"martyr"* mean? According to Webster, *"a martyr is a holy man who voluntarily gave up his life for his Cause"* . . . do I have to say anything more about Jack Kennedy being a *"martyr?"* . . . I can cite *scores* of evil and crooked deals committed by Jack Kennedy *(by all the Kennedys)* in his mad chase for political aggrandizement—now I would like to have somebody, *anybody, even his mother*, mention just one Jack Kennedy good or decent deed committed for the good of our country or for the benefit of our people.

In a Foreward in our *"News-Bulletin"* No. 101 we *stressed* that we did not allow ourselves to be swayed by the emotionalism that apparently gripped the entire nation. As a matter of fact, that "News-Bulletin" was completed several days before that tragic event in Dallas. It was intended to be our November issue—and was all set to be mailed on the very day of the assassination. Under that circumstance we decided to hold it in abeyance until the full shock had worn off a bit—and people would begin to think *(more or less)* rationally again. But as the days went by that emotionalism, aided, abetted and encouraged by the Press, TV and Radio, became deeper and deeper. And finally we decided to issue the *"News-Bulletin"*—with an added Foreward in which we stressed that Kennedy's death was no reason for suppression of the vital information contained in that *"News-Bulletin."*

During all of that enforced *"wait"* I kept studying and appraising the entire incident — particularly the effects of the assassination on the plans and objectives of the Masterminds of the Great Conspiracy . . . and, gradually, the pattern of the things that were to come began to emerge.

John F. Kennedy alive had become less and less a value for the conspirators. His near-three years in the White House had not been very productive for them. He had badly botched the entire Cuban matter . . . he had botched the Khrushchev confrontation—it started off with a bang and died with a wheeze . . . he botched the so-called civil rights project—his *(and little brother Bobby's)* brazen encouragement of street demonstrations and riots by the Negroes and their Red allies had created an angry resistance by the public and by Congress which he *(Kennedy)* could never have overcome. Every effort he exerted to push through his Civil Rights Bill, his Eleven Billion Dollar tax cut Bill, ALL of his pet Bills were, to express it mildly, stymied. And all the while, despite the phony *(Gallup and Roper)* polls, the *"image"* of Kennedy was zooming down to an amazing low with both Congress and the people. It was fast becoming a foregone conclusion that he would not be re-elected in 1964 . . . and, by that token, his values to the Hierarchy of our *"Invisible Government"* were becoming nil.

But John F. Kennedy dead became a priceless value to them. Of course, it was the circumstance of his death that did it. The people were so shocked and horrified by the vicious brutality of the assassination, so drenched with sorrow for the bereaved Jackie, that everybody forgot and forgave Kennedy's *obvious* political charlatanry, and when someone cried out *"Martyr"* they accepted—some with silence, some with approval.

And that was all the *"Masterminds"* needed to make them realize that the assassination of Kennedy was a *"God-send"* for their objectives. At once their controlled Mass Communications Media began to spout in print and on the air such adjectives as *"Great"* . . . *"Wonderful"* . . . *"Valiant"* . . . *"Noble"* . . . "Saintly," etc., etc. To heighten the emotionalism of the people, a cry was raised for *"Memorials"* for the *"Martyr."* They began to change the names of Schools, of Parks, of Highways, etc., etc. . . . the internationally famous Idlewild Airport was renamed and became *"Kennedy Airport"*—Cape Canaveral, almost as historic an American landmark as Plymouth Rock, became Cape Kennedy. And then going from the sublime to the ridiculous, if there is anything sublime about this *"memorial"* racket, a small town in Alaska (Bay City), a community of less than 30 persons, not far from Anchorage, changed the name of their *"city"* to *"John Fitzgerald Kennedy City."* But with that came a touch of ribald humor: an Irish farmer on the outskirts of that city proclaimed that inasmuch as everybody was going in for the *"memorial"* game, he was renaming his ancient Chic Sale to *"The John Fitzgerald Kennedy"* . . . This Irishman is a Catholic — naturally he had voted for Kennedy — much to his later regret.

However, the people as a whole, mesmerized by what they read and heard, accepted and approved of all the eulogies.

Having established the *"God-Manship"* of the late John F. Kennedy to heights never achieved by Eisenhower, or even Roosevelt, the *"Masterminds"* decided that that name was to be the camouflage for all their steps to gradually transform the United States into a Socialist-Totalitarian *(Communist)* State —

and to finally be integrated as a unit in their (UN) One-World Government. It is all to be accomplished via piece-meal *"surrender"* — each *"surrender"* to be another *"Memorial for John F. Kennedy."* Thus, at the height of the Press and TV deification of the *"martyr,"* Johnson, the new White House stooge of the *"Masterminds,"* sent Congress what amounted to a peremptory order to pass *intact* Kennedy's original *"Civil Rights Bill"* — as a *"Memorial for John F. Kennedy."* He followed that up with a similar demand that Congress pass Kennedy's Eleven Billion Dollar tax cut — as a *"Memorial for John F. Kennedy."* In short, all of the *"give America away"* legislation pushed by Kennedy and rejected by Congress was now to be enacted as *"Memorials for John F. Kennedy."*

Fortunately, we still have a few stalwarts in both Houses of Congress — and Johnson's demands, *as of the present,* were given short shrift. As one Senator described it: *"For nearly three years Kennedy has been trying to pass his legislation without success. Obviously the people and Congress didn't think the legislation was good. But now — just because Kennedy was assassinated — they are going to try to force it through as a memorial for our dead President. If that legislation was putrid when he was alive, it still is putrid. This 'Memorial for John F. Kennedy' thing has become a vicious racket — it must be stopped before they give the whole country away as a "Memorial for John F. Kennedy'."*

And, of course, this Senator is absolutely right. Moreover, he is one of the men in Washington who really *"knows the score."* By *"they"* he meant the politician-stooges of the *"Masterminds of the Great Conspiracy."* He could have given greater point to his observation about the *"memorials,"* supposedly inspired by *"grief"*, with the following quotation from one of Shakespeare's plays ("ALL'S WELL THAT ENDS WELL") . . . *"Moderate lamentation is the right of the dead, excessive grief the enemy of the living."* When that *"excessive grief"* is exploited by a controlled Press and TV and managed by the *"Masterminds'"* stooge-politicians it spells grave danger for our country.

But saying *"they must be stopped"* is one thing — stopping them is another. This *"Memorial for John F. Kennedy"* wail is the most potent instrument the *"Masterminds"* have had in many years. And they won't give it up — not unless and until the hypocrisy of the gambit is so completely unmasked that it will begin to boomerang. And that can come only when the people are fully alerted and disillusioned. But with all of our Mass Communications Media completely controlled by the *"Masterminds,"* how are the people to be alerted and disillusioned? That's a question more easily asked than answered. But it CAN be done! It has been done before — and, God willing, and with His help, it SHALL be done again.

I have devoted many of the intervening days to pondering that problem. Disillusioning and alerting a few thousand people, or a few hundred thousand, or even a few million, will not be enough. We must get the true story to ALL of the American people — and we must do it within the coming months, *not years, MONTHS!* That's all the time we have left in which to do it.

LET'S UNMASK THE ENEMY

My one supreme hope is that, *with your help,* this "YEAR-END REPORT" will be read by many millions of Americans— the millions we thus far have not been able to reach directly— the millions who are so deluded and brainwashed that they are utterly unaware that the most dire of our Enemies are men in the very highest and most powerful seats in our Federal Government—men who are the obedient stooges and tools of the *"Masterminds"* of the Great Conspiracy—men who are knowingly, wittingly and deliberately destroying the sovereignty of our nation.

Because this unmasking is for the benefit of all those unaware Americans, I shall concentrate this "REPORT" on two specific points:

1) I shall name the men we have elected to the Presidency who are tools of the "Masterminds," who not only betrayed our nation, but who *"appointed"* men such as Alger Hiss, Harry Dexter White, Harry Hopkins, Morgenthau, George Catlett Marshall, etc., etc., into top positions which enabled them to commit treason with impunity; of course, today there are other such men—many, many of them—such as Rusk, McNamara, Heller, etc., etc., who are continuing the "sell-out" of our country, exactly as did those others . . .

2) I shall outline the exact methods we must employ and the action we MUST take to wrest the destiny of our nation out of the hands of all those traitors—the big and the little traitors.

The first thing that every unalerted American should know is that the Presidents we have been electing and the men those Presidents have been appointing to head the State Department, the Defense Department, the Treasury, the Justice Department and all other Federal Agencies are NOT the men who compose our Federal Government. All of them are witting and willing stooges and tools of a Cabal of Conspirators who are determined to transform the United States into a hapless unit of their intended (UN) One-World Government. We call that Cabal *"Our Invisible Government."* And, as we know, Woodrow Wilson was the first of their White House tools.

(Note:—That phase of the plot is told in detail in our "News-Bulletins" Nos. 87 and 88, entitled: "OUR INVISIBLE GOVERNMENT," Parts One and Two. Those two "Bulletins" completely clarify what will follow in this "REPORT." MCF.)

During the 12 years of Republican Administrations following the Wilson Presidency our country was safe—but during those 12 years the Conspirators set up their *"Council on Foreign Relations"* and its various subsidiary Organizations and Fronts—and launched their plot to get complete control of our Press and the various Mass Communications Media that were to come into existence, such as Radio and Television.

Then, in 1933, Franklin D. Roosevelt, the most vicious political charlatan ever spawned in our country, entered the White House—and outright treason became the new order in Washington—*and has been continued to this very day!*

Roosevelt's first act of treason was the granting of *"Recognition"* to Stalin and his Communist regime. The Communist Menace was launched in 1917. It was in its death throes in 1933— Stalin and his entire gang were all set to flee—but Roosevelt's *"Regognition,"* granted without the consent or approval of the Senate, smashed all Underground resistance in Russia—*it saved Stalin and preserved the Communist Menace!* Again Roosevelt saved Stalin and Communism in World War Two with an outright gift of Eleven Billion Dollars—and a second Front in Europe just as Hitler's hordes were about to destroy Stalin and smash the Communist regime in Moscow. And surely we all know what Roosevelt did at Teheran and YALTA, where he promised to deliver the Balkans and all of Eastern Europe to Stalin—and Communism! . . . *Promises which Eisenhower faithfully fulfilled!* It was Roosevelt who laid the groundwork for the delivery of China to Communism. *In short, it was Roosevelt who created all of the bloody turmoil the world is in today!*

One more point on Roosevelt: it was that traitor who loaded our State Department, our Treasury, our Defense Department, ALL Federal Agencies with outright *"hate America"* traitors such as Alger Hiss, Harry Hopkins, Harry Dexter White, Morganthau, George Catlett Marshall, etc., etc. It was on direct orders from Roosevelt that Morganthau secretly delivered our money plates and the necessary paper and inks to Stalin . . . *how many billions of (counterfeit) dollars did Stalin print with those plates?*

Harry Truman, a two-bit politician spawned in the underworld of Kansas City, and chosen by Sidney Hillman, a notorious Marxist, for the Vice Presidency, followed faithfully in the footsteps of Roosevelt. I will mention only two or three of his most brazen and most commonly known acts of treason: at the Potsdam Summit Meeting he confirmed the division of Berlin . . . he sent George Marshal to Pekin to complete the Roosevelt planned knife-in-the-back for Chiang Kai Shek and to deliver China to Communism . . . During the Korean War he collaborated with the UN to prevent pursuit of the Enemy across the Yalu River, thus transforming Manchuria into a sanctuary for the Chinese Reds, where they stored all their war materiel—and whence they constantly attacked our armies and then scurried back across the river into their *"sanctuary;"* all this has been confirmed by Generals MacArthur, Stratemeyer, Van Fleet and many other top Generals who participated in the so-called UN Police action in Korea . . . to top it all off, the despicable Truman *"fired"* MacArthur because that greatest of all our soldiers protested against the UN's obvious determination to deliver victory to the Reds.

The next man in the White House was Dwight D. Eisenhower. Do I have to go into the details of the treason and treachery committed by that phony "Military Genius." I covered much of his background in our *"The Eisenhower Myth"* (News-Bulletin No. 85). And I am sure that most people still remember his hysterical demand that Congress repeal the *"Connally Amendment"—which would have placed our country and our people under the complete control of the UN World Court!*

Now we come to John F. Kennedy, I have no doubt that many of our unalerted and still emotionally-gripped people will resent my *"harsh criticism"* of the *"martyr."* They might even call it rank heresy. Even some who are not altogether unalerted may contend that we *"must not speak ill of the dead."* To which I could reply that history speaks of none but the dead, and history does not hesitate to tell the truth about the evil doings of Judas, of Machiavelli, of Ganghis Khan, of Napoleon, of Benedict Arnold, etc., etc., so why should we refuse to tell the true story of a Jack Kennedy.

However, there is no need to use up any more of the limited space in this "REPORT" on Jack Kennedy—I have devoted our *"News-Bulletins"* Nos. 90 to 95 inclusive, to tell the story of the Kennedys' chicaneries and acts of treason.

Now we come to Lyndon B. Johnson. It would require a book of many pages to record his background of Machiavellian political plottings. The vital point at this time is that during the few weeks he has been in the White House he has given abundant proof that he is determined to follow in Kennedy's footsteps— that he will do his utmost to force through all of Kennedy's vicious objectives, such as the *"Civil Rights Bill,"* the Eleven Billion Dollar tax cut, Medicare, etc., all under the headings of *"Memorials for John F. Kennedy."* In addition, Johnson is hell-bent to put through two specific projects, either of which spells positive destruction of our Country and our American Way of Life.

1) The Disarmament Plot: One feature of this plot, *as proclaimed by Johnson early in this month*, is a proposal to destroy our B-47 Jet Bombers—*the Bombers that would carry our Atomic Bombs to Moscow in event of warlike action by the Reds.* This is to be done *(supposedly)* on condition that the Russians will destroy a comparable number of Soviet Badgers—similar to the Bombers Moscow shipped into Cuba in 1962. Johnson and Rusk hope to have this new *"Arms Control"* package ready to offer the Russians at East-West talks that open in Geneva on January 21.

If that *"deal"* goes through, God forbid, it will be an act of treason far beyond anything committed by Benedict Arnold, or even by Quisling—it will rob us of the retaliatory power that has kept Moscow from attacking us . . . *and only Congress can save us from this plot.*

(Note:—We hope to have all the details of this treason plot in time for inclusion in our "News-Bulletin" No. 103—after which it will be up to every loyal American to "bear down" on his representatives in Congress. MCF)

2) The other project deals with our right to bear arms. The most frequent argument against any legislation to deprive the American citizen of all firearms has been this question: All such legislation, *according to those who would railroad it through Congress,* is intended to keep dangerous weapons out of the hands of crooks, juvenile delinquents, etc. Nobody can quarrel with that concept—but what about the law-abiding citizen who keeps a gun in his home for protection of his family? Deprive him of his weapon for self-defense and burglaries, murders, rapings might well be increased 10 or 20 times—because the crook would be armed effectively with a stolen gun. But there is an even more important feature about such legislation—and that is the safety and security of our nation .History tells us, as recently stressed by the National Rifle Association, that no dictatorship has ever been imposed on a nation of free men who have not first been required to register their privately owned weapons. In World War II Hitler's Nazis quickly disarmed the peoples of Austria, Poland, Czechoslovakio, Holland, France and Belgium—*with the help of local police and traitorous politicians.* Mussolini did the same in Italy. I will further stress that point by citing what happened some years ago when so-called *"United Nations Agressi"* armies *"invaded"* and proceeded to *"occupy"* various small cities in California, Texas, Virginia and New York state—they *"arrested"* the Mayors, the Chiefs of Police and disarmed the police forces. It was only when the infuriated citizenry stormed out of their homes, with guns in their hands, that the UN *"Armies"* fled in wild panic.

Now, what would have happened if those citizens had not had weapons? . . . What would have happened to our nation if all of our people had first been deprived of their weapons? . . . The UN "Agressil" forces would have spread throughout our country—and that would have been the end of the U. S. A.! . . . We would have become just as enslaved as the Hungarians and the peoples in all of Moscow's satellite states.

Thus, it behooves you — *and all your friends and neighbors*— to tell your representatives in Congress, *in no uncertain language,* that you are fully aware of the objective of any form of legislation that can lead to deprive us of our weapons and thus disarm the American people and make us easy victims for conquest—*exactly as the UN planned some years ago!* . . .

Also remind them of the Second Amendment in the Bill of Rights of our Constitution:

"A well-regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed."

CONTINUE TO TRUST IN GOD

But REMEMBER: He helps only those who help themselves! ! The chief objective of this "REPORT" is to make you, *and every loyal American who reads it,* realize that we cannot look to the Man in the White House to preserve our Country and our Freedoms . . . that we cannot look to our State Department to safeguard our Country — or to the CIA — or to the USIA — *or even to our Defense Department.* . . . as proof: Barry Goldwater, a Military Expert in his own right, especially as regards our Air Force and Missiles, bluntly charged that the man at the head of our Armed Forces, Whiz Kid McNamara, is doing his utmost to destroy the effectiveness of our Armed Forces—he (Goldwater) did not use the word TREASON, but all of his charges clearly spell out that word. And, *most assuredly,* we cannot look to the U. S. Supreme Court to safeguard our Country. That branch of our government, headed by that Cobra, Earl Warren, who, even more than a Khrushchev or a Castro, venomously hates America and the American people, will never stop concocting ways and means to scuttle our Constitution and deliver us into the enslavement of a Communist (UN) One-World government.

By all those tokens it would seem that we have already lost the fight—and our nation. *That is not so.* True, the Executive and Judiciary branches of our government are distinctly our ENEMY as a Khrushchev, a Castro, a Mousey Dung. Actually, they are a far more dangerous ENEMY than any outside ENEMY—they are the ENEMY WITHIN—the ENEMY created by the Internationalist-Communist conspirators. All the so-called Fabian Socialists, all the One-Worlders, all the outright Reds occupying the top offices in both of the above mentioned Branches were appointed (NOT ELECTED) by the Renegades, beginning with Franklin Roosevelt, that we elected to the Presidency—*and every one of them was appointed ON ORDERS from the "Council on Foreign Relations" (CFR) and their collaborators, the "Americans For Democratic Action" (ADA).*

And so, you might well ask, despairingly: *"With all those traitors in control of our government, how can we hope to save our country?"*

My answer is that, with God's help, we CAN—because, we, the people, still have control of the third Branch, the most powerful one: Congress.

I remind you: all those traitors were *appointed* to their jobs. Congress can, *and will,* wipe all those traitors out of their jobs *when and if a UNITED American people will order them—in no uncertain language*—to do so.

But we must not delude ourselves even about our Congress. We have men in that Branch who are as treasonous as the men who delivered Cuba to Castro, China to Mousey Dung, the Balkans and all of Eastern Europe to Stalin. For examples, I cite Jake Javits, Emmanuel Celler, Fulbright, Kuchel, Humphrey, Morse, etc., etc. In addition, there are men whose greeds supersede loyalty to country and to their own constituents—who will trade their votes for *"Federal Patronage."*

Again, we must not delude ourselves by finding excuses for those men on the grounds that they *"innocently"* voted for the various treasonous Bills because they were unaware of the treason in them. *They knew!* Every member in both Houses of Congress knows the full score of the treason in Washington—otherwise how is it that some men vote only 20 or 30 percent for the good legislation and others vote 100 percent for the treasonous legislation?

Now, why do those greedy ones, who on the surface are seemingly good Americans, vote that way? The answer is simple. They theorize *(and properly so)* that their constituents do not know, and will never learn, how they vote. And as long as their constituents know nothing about their voting records, those members of Congress will continue to vote as it benefits them. But let me assure you of one thing: The moment all those Congressmen *(not including, of course, the Javits-Cellar ilk)* will become aware that their constituents are becoming informed they will become the most zealous supporters of all pro-American legislation—they will support the Utt Bill for Congressional investigation of the UN—they will support the Bills to impeach Warren, they will support investigation of the State Department, etc., etc. But that will happen only when and if their constituents tell them in no uncertain language what they expect of them. But always remember this: they will disregard demands from a few—the demand will have to come from the mass of their constituents. And I am sure that if all their constituents are made fully aware, the demand *will* come from the mass. So, our most vital job is to *"educate"* and alert all of the American people. And that is a problem not easily solved—for the following reason:

Since the mid-1920s the ENEMY has acquired full and complete control of all of our Mass Communications Media, of Hollywood, even of Broadway. They also gained control of a vast number of the book-sellers in America. True, we have a few pro-American publications, but their combined circulation reaches only a small fraction of our population. Also, we have quite a number of books, written by pro-America authors. But aside from the *"blacklisting"* by the book stores, there are not many people who are willing to pay 2, 3 or 5 dollars for a book. And, most assuredly, there are very few people who can afford to buy quantities of such books for distribution among their friends and neighbors.

(If you want to know how our Mass Communications Media delude, betray and brainwash the American people get "News-Bulletins" Nos. 99 and 101—the information contained in those issues is a MUST for every loyal American. MCF)

Thus, you may well ask: *"How can we alert the people?"* Well, there IS a way, we have done it before—we can do it again. I will cite several instances to show you HOW it was done—and how we can do it again—and how YOU can help to do it.

1) In 1946 I launched a one-man fight to expose and smash the Communist Conspiracy in Hollywood. I wrote a book, which I titled "MOSCOW OVER HOLLYWOOD". My publisher either sabotaged it, or didn't know how to sell it, as it didn't get beyond 2,000 copies. I then wrote "RED TREASON IN HOLLYWOOD," I published it myself and got approximately 200,000 copies into circulation. That forced a Congressional investigation, as a result of which the infamous *"Hollywood Ten"* went to prison. It created a sensation—but it did not do the job I hoped for—that of getting the people to boycott the Films containing Reds in their casts. Thereupon, I hit on the idea of issuing a four-page *"Tract," (the "Red Stars" Tract)*)in which I *named* 200 of the top Reds in the industry. I made this *"Tract"* available at $2.00 for 100 copies *(two cents per copy).* People all over the country bought this *"Tract"* in lots of 100 to 10,000 copies. As a result, the vast majority of the American people became informed and fully alerted about the traitorous Reds in the Film industry. *That did the job!* Millions of Americans throughout the nation

began to shun all theatres showing Films starring and/or featuring Red Stars, Directors and Writers. *That hit the pocketbooks of the Producers!* Panic swept through the Hollywood Studios—THEY "blacklisted" the Reds—the Conspiracy was smashed. *And it was that little two-cent "Tract" that did it!*

2) In 1949 we (CEG) discovered that the California Legislature *(plus 25 other State Legislatures)* had SECRETLY approved and passed the "*United World Federalists*" traitorous "*Resolution*" to memorialize Congress to transform the United States into a unit of a UN One-World Government. We promptly launched a "*crusade*" to force the legislature to re-open the matter—review the "*Resolution*" before a joint session OPEN TO THE PUBLIC—and rescind it. We published that story of treason, in all its details, in our *(then)* current "*News-Bulletin.*" We managed to get approximately 100,000 copies of that issue into circulation. But that was not near enough. The Legislators scornfully ignored the comparatively *few* demands and protests from their constituents. We had to get MILLIONS of their constituents into the fight. Thereupon, I condensed all the salient features into a small six-page "*Tract*". Within weeks we had more than a million copies circulating throughout California. *That did the job!* It brought an avalanche of signed copies of the "*Tract,*" plus angry letters, into the offices of all the Legislators. In February (1950) the Legislature capitulated to the continuing avalanches of letters—they set a hearing for March. At that hearing the "*Resolution*" was declared as being treason—and rescinded. And the UWF was denounced on the Senate floor as being a viciously treasonous outfit. That spelled "*death*" for the "*Resolution*" in all the other states—also for the UWF.

3) When the UN Charter was submitted to the Senate, Tom Connally insisted on a revision, commonly known as the "*Connally Amendment.*" And he was the only Senator who insisted on it. That "*Amendment*" is the only thing that saved us from the control of the UN's "*World Court.*" Without that "*Amendment*" we would long since have lost our Freedoms and our Country. In his last year as President, Eisenhower was determined, *under orders from his Masters (CFR),* to get that "*Amendment*" repealed. He had Richard M. Nixon launch that scheme with a perfervid speech in New York. Also, at Eisenhower's demand, the then Attorney General made a similar appeal in a speech at the annual meeting of the American Bar Ass'n. Then Eisenhower himself appeared at a joint session of Congress and appealed for the repeal. And then, by promises of Federal Patronage and/or threats to withhold Federal Patronage, he (Eisenhower) extracted pledges from 70-odd Senators to vote for the repeal when the Bill would be submitted two or three months, later.

We (CEG) promptly published that entire "*repeal*" plot in our *(then)* current "*News-Bulletin.*" Simultaneously, because the matter of time was vital, we condensed the story into a 4-page "Tract," which we called "*The World Court Tract.*" We rushed copies of that "Tract" to all of our members and contacts *(approximately* 25,000) throughout the nation, together with a "*Special Bulletin*" in which we urged them to get all loyal Americans in their communities to join them in "*protests*" to their Senators.

The response to that appeal was the most heart-warming experience of my entire life. Within two weeks signed "*Tracts*" and angry letters began to pour into the offices of all the Senators. Efforts of the "*Liberal*" and "*pledged*" Senators to convince their constituents that they did not "*understand;*" were promptly answered by those constituents with, *in so many words,* a demand of "*vote AGAINST the repeal—or don't come home!*"

Several Senators informed me that THOUSANDS of such letters and signed "*Tracts*" poured into the office of *every* Senator. Three days before the Repeal Bill was to be submitted all those 70-odd pledged Senators stormed into the White House and demanded that Eisenhower release them from their pledges, or, in view of those thousands of letters from their angry constituents, they would be forced to renege their pledges. Naturally, the startled and frightened "*Military Genius*" released them . . . the Bill to "*Repeal*" was never submitted—*as yet!* But, believe me, they never quit—they are just waiting for the people to "*forget.*"

(Note:—As you may recall, at a recent meting of international lawyers in Athens, Greece, our renegade Chief Jusice, Earl Warren, proclaimed that HE would force the repeal of the "Connally Amendment" at the first opportunity. MCF.)

Those citations provide indisputable proof that only a fully alerted people will mean the salvation of our nation. They prove that the men to whom we entrust the safety of our nation will be "*honest*" only if they know that their constituents are watching them.

I could cite other cases of a similar nature to further prove my point. For one example, there was the plot to railroad our Senate into granting full "*Treaty*" status for "UNESCO" — a plot that was torpedoed by our "*News-Bulletin*" No. 86 and our UNESCO "Tract" . . . Example No. 2 was the plot to grant "*Treaty*" status to the "GENOCIDE" plot, which was torpedoed by our "GENOCIDE TRACT." I say that our "*Tracts*" accomplished those jobs, because, until we issued them, the people were as unaware of those plots as they had been of the UWF traitorous "*Resolution*" — and Eisenhower's plot to repeal the "CONNALLY AMENDMENT,"—just as they had been unaware of the Communist Conspiracy in Hollywood and TV until our "RED STARS TRACT" unmasked the Reds in both industries.

Thus, I repeat, it is obvious that only a fully alerted American people can save our Country. In this "*Report*" I have endeavored to provide a clear picture of the kind of machinations we may expect in the year ahead. I am sure that it will not only alert them, but that it also will inspire them to join in our efforts to get our "*alert*" to ALL of the American people. *But for that we desperately need YOUR help.*

In addition to our (CEG) membership we have a mailing list of more than 30,000 loyal Americans who cooperated with us in the torpedoing of the UWF "*Resolution*" and all our other projects. Among them are heads of the American Legion, the VFW, the DAR and other civic and service groups. The job of getting this "*Report*" to them, including printing, postage, labor, etc., will run into more than $5,000. And that does not include the free copies of our "*News-Bulletins*" to all members of both Houses of Congress. Many of our members have already responded generously to our appeal for the necessary funds, but we do not yet have enough to complete the job. Therefore, I appeal to you *(unless you have already responded)* to help us with whatever contributions, large or small, that you can afford.

MOST IMPORTANT WAY YOU CAN HELP

We want *everybody* in your community to become fully alerted. This "*Year-End Report*" can do it. If you will "*deliver*" copies to all your friends and neighbors in *your* community, we are in contact with loyal Americans like you in all parts of the nation who will do similar jobs in their communities. Thus, I appeal to all of you: please finance as many copies of this "*Report*" as you can for *your community.* Either order the copies and deliver them yourself—or send us a list and we will do it for you—we particularly want to alert all the doctors, dentists, lawyers, ministers, etc., in your community. One dollar will finance 8 copies—$10 will finance 80—$100 will finance 800 copies . . . And please remember: *This is YOUR country, not just mine, that we are trying to save—please help us any way you can.*

A PERFECT EXAMPLE FOR YOU

As you know, in every "*Year-End Report*" and "*Special Bulletin*" I urge all patriotic Americans to organize "*Study Groups*" in their communities and thus heighten the distribution of our "*News-Bulletins,*" our "*Tracts*" and other publications throughout the nation. That, in my opinion, *and in the absence of a loyal Press,* is one of the surest ways to open the eyes of all the American people to the true facts of life as they exist in our country today—it may well mean the salvation of our nation. I mention this because in the past two years more and more people have responded to my "*Study Groups*" suggestion. The following *is* a letter I received early this month, which speaks for itself. The writer of the letter is Dr. W. K. Allbritton, Jr., 510 Lyric Building, Birmingham 3, Alabama:

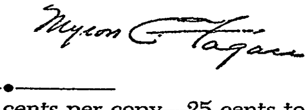

"Dear Mr. Fagan:—I have just read a copy of "Our Invisible Government Made Visible," Part 2 (that is our "News-Bulletin" No. 88). It is an educational masterpiece . . . For the past year I have been a thoroughly awakened patriot and have been devoting a high percentage of my time, effort and money to awaken others. More than being awake I am in full battle readiness and attention as your organization seems to be . . . I teach Study Groups about Communism and patriotism (anti-communism is not enough). I have a list of more than fifty on my newly formed mailing list. Your "News-Bulletins" have reached me at a very good time. Sincerely, W. K. Allbritton, Jr."

And in that same letter he ordered quantities of "*News-Bulletins*" and "*Tracts,*" plus other informative items . . . You can rest assured everybody on his mailing list is becoming fully alerted. *Just imagine what it will do for all of our people, if all of the* 30,000 *who will receive this "Year-End Report" will do what Dr. Allbritton is doing . . . what he is doing YOU can do!*

PLEASE SEND US YOUR 1964 DUES

As I have always told you, we depend upon our membership dues to defray all of our operational activities. We get no financial help from Foundations—we are too patriotic for them. Now we have this tremendous, and tremendously vital, job to do—I am sure you agree that it is a MUST job. So I now have a very urgent request: please endeavor to enlist some of your friends to become CEG members. The dues are only $12.00 a year—surely, the salvation of our American Youth and our glorious country is worth $12.00 to all loyal Americans . . . also, if you have not yet sent in your dues for 1964, please do *it* now—TODAY . . .

Yours for God and Country,

All our "*News-Bulletins*" are 50 cents per copy—25 cents to CEG members . . . our "Tracts" are $2.00 for 100 copies.

Additional copies of this "*Year-End Report*" can be had for 15c a single copy—or 10c per copy in quantities.

There's an old story that says you can't kill a frog by dropping him in boiling water. He reacts so quickly to the sudden heat that he jumps out before he's hurt. But if you put him in cold water and then warm it up gradually, he never decides to jump 'til it's too late. By then he's cooked.

Men are just as foolish. Take away freedom overnight, and you've got a violent revolution. But steal it from them gradually (under the guise of "security," "peace," or "progress") and you can paralyze an entire generation. Look at the income tax. It started out at a harmless one per cent (1%). It would have been easy to jump out of water as tepid as this, but like the frog, we waited. *Today it is 14 to 70%.* (Try jumping now!)

Worst of all, we never learn. Even today we cannot believe that Medicare is the same water that will one day boil us in Socialized Medicine. We see no connection between farm price supports and Nationalized Agriculture. And if we draw a parallel between subsidized teachers' pay and federal control of education, we are called "extremists."

The tragedies of history are always repeated by those who refuse to learn them. To seek guidance from the past is not "turning the clock back" as we are so often told. It is merely a good way to keep out of hot water.

Dear Mr. [redacted]:

Your letter dated October 6th has been received, and I want to thank you sincerely for your kind message concerning the work being done by the FBI.

In response to your request, it is a pleasure to enclose a copy of the 1963 issue of the Uniform Crime Reports bulletin, together with other publications I hope you find of interest.

With reference to your other inquiry, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. You may be interested in knowing that Mr. Myron C. Fagan or representatives of the Cinema Educational Guild, Inc., definitely do not have access to the files of this Bureau.

Est 2 —

Dear Sir,

I am writing this letter to request a copy of your bulletin,"Crime in the United States". This is also known as "Uniform Crime Reports (1963)". I would greatly appreciate a prompt response. I would like also to compliment your bureau for the great work it does. Keep up the good work.I think that the majority of the people in this country appreciate the fine work that you do.

I would like some information about an organization that calls itself "Cinema Educational Guild". They are located in California. Their director is Myron Fagan. I have been getting mail from them. I was wondering if they are a bunch of crackpots or are they a good patriotic organization. They send some pretty good info on so-called communist sympathizers in the entertainment industry.Mr, Fagan encloses a letter (a copy)which he purpotedly received from the House Un-American Activities Committee.It commends him for his stand against communist action in Hollywood.I would appreciate your evaluation of this man's activities.

Yours Sincerely,

Dear Sir,

Enclosed is a tract I was given some time ago. I read it thoroughly and then re-read it. I am 13 years and in the ninth grade and completely confused. In this tract, it states that Leonnard Bernstein, Aaron Copeland, and Danny Kaye are communists. If they are so, why then are they allowed to work with the children of our country? Leonard Bernstein has given countless numbers of Young People's concerts to which a good many I have listened. Danny Kaye also works with our children.

I am questioning the truth of this tract. I thought you and the F.B.I. could look into this tract and see if it is truth or falsehood. Would you please do this for me? I would be so grateful. My name and address are:

I have received your letter of January 26th, with enclosure, and want to thank you for your expression of confidence in my administration of the FBI. It is hoped our future endeavors will continue to merit your support and approval.

Your concern about the threat of communism is understandable and your desire to learn more about the nature of this menace is reassuring. I have repeatedly emphasized it is imperative for Americans to study the objectives and operations of the communist conspiracy if we are to effectively resist its eroding influence. I am enclosing material which includes suggestions all of us can use in combating this evil. Perhaps you may also wish to read my books, "Masters of Deceit" and "A Study of Communism." These were written in order to help readers gain an insight into the strategy and tactics of communists, both in this country and abroad. Copies may be available in your local library.

J. Edgar Hoover
Director--FBI
Washington, D. C.

Dear Mr Hoover:

It is realized that you are a very busy man. It would be very sincerely appreciated, however, if you could clarify the attached circular for me and my fellow Lions members.

All of us want to do the right thing and follow our good American Heritage and stay a free people. We do not want to be confused by wrong or prejudiced news items or deliberate propaganda set out by the communist party to befuddle our thinking.

What about the attached folder. Is it fact?? Or is it communist propaganda.?? At this point it is hard to believe that so many of our well thought of movie people are considered chief supporters of the communist party in this country.

We of the Naperville Lions Club have great faith in the FBI and your leadership in the fight against communism. It would be very sincerely appreciated if you or someone on your staff would clarify this circular for us so that we may discuss its' ramifications at one of our meetings.

Any literature or press releases or any other material that you may have will be appreciated. This is a vital subject and all of us wish to be as fully informed as possible.

Please help us.

Thank you sincerely,

Gentlemen:

I would appreciate verification of the list enclosed, or denial of same.

This list was handed to me while visiting in the home of a friend this evening, by a lady who seemed rabid on the subject. Very probably she is sincere in her beliefs, however, her beliefs, her approach to the subject has led to some doubt in my mind.

For instance one of her points against the works of these individuals is that they stress "racism" & in the next breath was depreciatings Sydney Portier's putting his arm around a white woman after receiving his "Oscar." Her attitude on the subject appeared to be "racist" from my view point.

Then again when she learned I did not approve of the John Birch Society which she seemed to up hold she volunteered nothing in its defense, which I most certainly would have done had I believed it worthwhile.

One statement she made that I heartily endorse is that apathy could be our downfall, so rather than disbelieve her on the basis of her apparent uncertainty in some areas I would like your help in learning the true facts on the subject. She's handing these leaflets out quite freely, I understand & if they contain untruths or half truths I believe she & (others like her) should be stopped before she does irreparable harm.

I am not a movies fan & do not own a television, but everyone else I know does & in my circle alone she could impress quite a number of people & they in turn affect many more, so I would appreciate your early reply on the subject. REC-1 62-87267-989

Dear Miss [redacted]: [redacted]

Your letter of March 8th, with enclosure, has been received and I appreciate the concern which prompted you to write me.

With respect to your inquiry regarding the Cinema Educational Guild, Inc., information contained in our files must be maintained as confidential in accordance with regulations of the Department of Justice. I hope you will not infer either that we do or do not have data in our files relating to this organization. I am returning the Tract you thoughtfully enclosed, and you may be interested in knowing that Mr. Myron C. Fagan or representatives of Cinema Educational Guild, Inc., definitely do not have access to the files of the FBI.

In view of your interest, I am sending some material which may be helpful to you. You may also wish to refer to my books, "Masters of Deceit" and "A Study of Communism." The former was written with the hope that it would help readers gain an insight into the true nature of the communist conspiracy in this country. The latter contains an analysis of international communist practices and contrasts totalitarian methods with life in a free country. These books may be available at your local library.

NOTE: There is no derogatory information in Bufiles concerning correspondent and we have had previous correspondence with him last outgoing 5-29-62 at which time he was sent literature. The enclosure is a copy of the April, 1965, special bulletin put out by the Cinema Educational Guild, Inc., of which Myron C. Fagan is National Director. It is an appeal apparently being sent to various citizens in the nation to purchase the bulletins and tracts which are published by this group and with which the Bureau is well aware. It also appeals to the citizen to take appropriate steps to effectively combat communism and the communist conspiracy by boycotting certain individuals and voting for certain individuals of "right-wing" leaning.

APRIL - 1965

A VITAL SPECIAL BULLETIN!!

FOR ALL **AMERICANS** WHO TREASURE **FREEDOM** AND THE **SOVEREIGNTY** OF OUR NATION.

Dear Fellow-American:

For those who have been reading our *"News-Bulletins," particularly our SPECIAL BULLETINS and WARNINGS*, I hardly need to stress that I have NEVER needlessly cried "WOLF." Therefore, I hardly have to assure you that this WARNING is the most vital one I have ever issued — and to urge you to DIGEST every word in it.

I can hardly include all my warnings and *"alerts"* in this brief space — but I can direct you how and where to get the full import of all the warnings. For that reason, I urge you with all the earnestness I can stress that you carefully read the *"News-Bulletins"* I will cite — in which I *clearly* describe the sub-plots of the *"Masterminds"* of the Great conspiracy to destroy our Country and our FREEDOMS . . . and I urge you to *particularly absorb the menace to the lives of our children and grandchildren.*

For many years I have WARNED of the long-planned plot to use the Negro to hurl our nation into chaos—and COMMUNIST destruction. People, even those who are truly intelligent and more or less alerted, have been prone to consider my warnings as considerably exaggerated . . . some even branded me as an *"alarmist"* and *"Fright-Peddler."* **And certain self-styled Patriots, who secretly collaborate with the CFR and the ADL, have even tried to suppress our warning about the "Israel Cohen" directives how to create the Negro riotings!** That is quite understandable to me — **and will be to you,** if you will stop to realize that ALL of our Mass Communications Media *(the Press, Magazines, Radio, TV and Hollywood)* are *deliberately* slanting the news, distorting it, and *deliberately* lying, in order to brainwash the people in America — *and in the world!* I provided indisputable proof of that in our "Special CEG Tract," entitled: "ASSASSINS IN RADIO-TV! ! !"

Now get this: several years ago, in *"News-Bulletins"* Nos. 87 and 88, I revealed in detail the plans of the *"Masterminds"* to engulf the whole world, *including America,* in a (UN) One-World Government. For a vitally necessary reminder, we have just reprinted both of those issues in *"News-Bulletin"* No. 110 (50 *cents per copy for members of CEG,* $1.00 *per copy for non-members).* It is titled "OUR INVISIBLE GOVERNMENT MADE VISIBLE." This document describes the entire plot, each detail DOCUMENTED *by men who were directly involved in the CONSPIRACY since before the French Revolution and the Napoleonic Wars.* A copy of this *"News-Bulletin"* should be in EVERY American home — it should be a MUST *educational* reading for every individual of school age and oldsters — so that ALL Americans will know of our frighteningly grave danger — *and how they can avert it!*

Please, PLEASE bring this document to the attention of every friend and neighbor in your community — if you are an official or member of DAR, of the American Legion, of VFW, of ANY civic organization, bring it to their attention. This is a DESPERATE NEED! ! !

Now, please, *I beg you,* read our *"News-Bulletin"* No. 108. It reveals with DOCUMENTARY proof, *provided by ex-officials of the Communist Party and by alarmed ex-members of the Great Conspiracy* (CFR), how all the cities in America will suddenly be hurled into anarchy, chaos, pillage, murder by Communist-led Negro riotings, such as turned Rochester, Harlem, Brooklyn, etc., into shambles — how our light facilities and water supplies will be cut off — how our TV and Radio Stations will be used to terrorize all the people. REMEMBER: all DOCUMENTARIES in that *"News-Bulletin"* were provided by Ex-officials of the Communist Party and Negro leaders — and CONFIRMED by trustworthy newspaper Columnists and outraged Government officials. It will *clearly* show you the Leaders of that particular phase of the overall plot — *how Martin Lucifer King fits into it* — and the techniques they have in preparation.

Now — in our forthcoming *"News-Bulletin,"* No. 111, entitled: "PERHAPS — THE LAST WARNING," I quote *verbatim "Executive Orders"* and Official plans, *already transformed into Laws,* to enable Johnson and his Masters (CFR) to complete the delivery of the U. S. to the UN One-World Government *via "Martial Law."* Anyone who fails to read THIS issue *(and the other issues)* and disregards its warning — and fails to PROMPTLY DEMAND ACTION by his representatives in Congress to NULLIFY and OUTLAW those *"Executive Orders"* will have an awful lot to rue his negligence — *negligence which will BETRAY their children! ! !*

ENCLOSURE 62-87267-912

YOU CAN SAVE OUR COUNTRY

Here is how you can do it! We KNOW that asking the Man in the White House, or the Secretaries of State, of Defense, of the Treasury, or the head of ANY Federal Agency to save our Country is exactly like asking SATAN to abolish Hell — we KNOW that all of them are *dedicated* to carry out the orders of their masters (the CFR) to destroy our nation . . . *We KNOW that the Earl Warren gang on the U. S. Supreme Court are zealous tools of the same ENEMY!*

But there are two divisions of our Government that can save our Country — that can foil the tools of the CFR. One of them is our Congress. The members of the 89th Congress were sworn in on January 4, 1965. Every Senator and Representative took the following *solemn* oath:

"I, ..., do solemnly swear (or affirm) that I shall support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties in the office on which I am about to enter. So help me God."

Those *(re-elected)* men whose previous voting records, *despite all political pressures,* left no doubts about their loyalties, delivered their oaths with sincerity. There were others, re-elected and newly-elected, who swore their oaths with *"tongues in cheek"* — they were not *deliberately* treasonous, but they entered their offices knowing that *(reluctantly and/or otherwise)* they would vote as ordered by various pressure groups, such as the ADA, the ADL, the CFR, Negro and other Minority Group Leaders. There was still another group, *a blasphemous group,* who not only scorned their oaths, but who entered their offices with *deliberately treasonous sabotage* in their minds. A study of each man's voting records quickly reveals the honest men, the dubious ones, the TRAITORS.

We published the voting records of all members of the immediately preceding Congress. Those who voted 85% to 100% for loyal-to-America legislation can be trusted; those who voted less than 85%, but better than 65% could be *partly* trusted, *but always scrutinized;* those who voted 50% or more for ADA, CFR, ADL objectives MUST be driven out of Congress — *exactly as we drove the UWF-controlled Assemblymen and State Senators out of the California Legislature in 1950! ! !*

TWO STEPS TO FORCE CONGRESSIONAL ACTION

1) You, and every loyal American in your community, should *immediately* write personal letters to your Representative and Senators and tell them *in no uncertain language* that you are WATCHING their voting records — that at the first sign of support of treasonous and disloyal BILLS they will be MARKED for sure defeat at the next election. And in your letters, DEMAND that they render full support for all BILLS introduced, or that will be introduced, by Congressman James B. Utt and other loyal Congressmen for Congressional investigations *(open to the public)* of the UN and withdrawal from that CFR cesspool . . . DEMAND their support of Congressional investigation and IMPEACHMENT of Earl Warren, Douglas and the other traitorous Supreme Court Justices . . . DEMAND full investigations and impeachments of the Rusks, the McNamaras, Lyndon Johnson, Hubert Humphrey and all SUSPECT officials of all Federal Agencies . . . DEMAND action to tear our money system out of the clutches of the CFR's controlled and OWNED Federal Reserve Gang . . . DEMAND that they (Congress) put an end to all Federal Aid give-aways and lootings . . . DEMAND full investigation of the CFR, the ADA, the ADL, the ACLU, the *"Fund For The Republic"* and all similar Communist-One World supporting outfits — and, *especially,* the NAACP, CORE, the LUCIFER Kings, etc. DEMAND the REPEAL of the utterly unlawful 14th and 16th Amendments! ! ! *And all that should be only the beginning of a thorough HOUSE-CLEANING!*

For the Love of God and Country, please, PLEASE write such letters at once — and get all your loyal American friends and neighbors in your community to do likewise — it means SALVATION of our Country — it means the safety and future of YOUR children!

ANOTHER WAY TO SAVE U. S.

Each and everyone of our 50 States is an integral and contracted unit of the United States of America. However, *by edict of our Constitution,* each and every State is in and of itself a Sovereign State, governed by its own Governor and Legislature. Under our Constitution, each State has a reserved right to curb Federal Government usurpation of its rights. Each State has the *Constitutional* right to memorialize the Congress of the United States for all necessary actions to protect its rights — and if 36 States combine for such purposes Congress is forced by our *Constitution* to grant such demands . . . *exactly as Congress must get the approval of and consent for the enactment of a Constitutional Amendment!*

Moreover, if enough State Legislatures combine in a DEMAND that Congress institute the above mentioned investigations and impeachment proceedings, Congress will be *forced* to obey! Therefore, please write letters to each and every member of your State Legislature, in the same no uncertain language.

And REMEMBER: all these men in Congress and the Legislatures are politicians. They LOVE their official positions. You, the voters, can take those positions away from them. THEY KNOW THAT! So, if enough of us REMIND them of that fact, they will carry out our demands, regardless of all treasonous pressures. *Thus, the SALVATION of our Country is up to YOU— up to YOUR Letters!*

I won't attempt to guide or advise you on the methods you are to employ to get action by your Legislatures, but I will direct you to two (sources) individuals who are EXPERTS in that particular field:

1) Major Arch E. Roberts, USAR, P.O. Box 986, Fort Collins, Colorado. I don't have to tell you about him, except that he *(like Gen. Walker)* defied the Pentagon and the White House. He is doing a terrific *(and highly effective)* job with the Colorado Legislature. Write him — he will send you all the "directives" you need. Naturally, send him the necessary postage costs.

2) Mary Davison, head of Council For Statehood, Box 1524, West Palm Beach, Florida.

For prompt attention, mention to both that I referred you to them.

PROOF THAT IT CAN BE DONE!

There are many loyal Americans who *(via Brainwash by our Mass Communications Media)* are unaware of the URGENT need for such a fight . . . there are many others who ARE aware, but are so discouraged and hopeless that they have all but lost the will to fight. For the benefit of ALL of them, here is the PROOF that we CAN win this WAR, just as we won the "battles" I will now mention:

1) In 1947-9 the *"United World Federalists"* secretly SEDUCED the Legislature of California to approve and pass a RESOLUTION to memorialize Congress to transform the U. S. into a unit of a *"Federated UN One-World Government,"* using the word PEACE as their bait — simultaneously, they SEDUCED the Legislatures of 25 additional States to do likewise. They poured untold millions of BRIBERY dollars into each State to accomplish it . . . . **and not one newspaper, not one Radio Station mentioned one word about it ! ! !** But, *by the grace of God,* we (CEG) discovered that treason-plot. In mid-1949 we launched a *"News-Bulletin"* and *"Tract"* crusade to alert the people in California. And, *by the grace of God,* we succeeded. AVALANCHES of angry letters and telephone calls POURED into the offices of all the Legislators. That outpouring of public rage shocked and frightened every member of that Legislature — it particularly terrified those Legislators who had actively collaborated with Alan Cranston and the UWF plotters — and it FORCED the Legislature to haul out that treason-packed UWF "RESOLUTION" for an open-to-the-public review. It then denounced the *"Resolution" (and its (UWF) Sponsor)* as a treason plot — and rescinded the "RESOLUTION." The Press and Radio tried to keep it all *"hush-hush,"* nevertheless the story got out to all other States— and all but one of the other States promptly *"rescinded" their UWF "RESOLUTIONS."*

That shows you it CAN be done! What we did with the California Legislature YOU can do with the Legislature of your State — *if you wish to help save our God-given Country* . . . . Write to Major Roberts and Mary Davison for directives and guidance.

2) In 1959 the last act of President *(phony "Military Genius")* Eisenhower was a determination to repeal the *"Connally Amendment."* With the help of Nixon and other CFR stooge Federal Executives, he forced, *via every type of pressure and threats,* more than 70 Senators to PLEDGE themselves to vote for that repeal. We (CEG) learned of the plot. We promptly issued a *"News-Bulletin"* and a *"Tract"* to expose the plot. We distributed MILLIONS of copies throughout the nation. As a result, AVALANCHES of furious letters poured into the office of every Senator. Within two weeks every one of those terrified Senators notified the *"Military Genius"* that they were repudiating *(some very angrily)* their pledges. That BILL was promptly *"killed"* by the equally terrified Ike and stooge Fulbright! . . . *So you can see what you can do with your letters!*

3) Now for a third example: The unmasked UN has been more and more becoming anathema with MANY of the American people. The *"Masterminds of the Great Conspiracy"* have been frantically seeking ways and means to *rebrainwash* the people into renewed faith in that cess-pool of treason. Having full control of all of TV, they hit upon the idea of six TV "Spectaculars" to glorify the UN. You know that whole story — how the XEROX Corporation provided FOUR MILLION dollars of their stock-holders' money to finance those "SPECTACULARS." Scores of pro-Communist Stars, Writers and Directors eagerly offered to render their services for free *(minimum Union scale wages).* We (CEG) promptly revealed the plot in a *"News-Bulletin"* — and in a *"Tract."* Avalanches of that *"Tract," hundreds of thousands of copies,* poured into the offices of XEROX. For a time, XEROX and the UN defied the public protests. They managed to *"release"* two of the finished "SPECTACULARS" *(both flopped.)* But the continued avalanches of protests and *"Tracts"* finally brought results: The Masterminds of the plot *(regretfully)* announced that the Stars, Writers and Directors were finding it impossible to fit the "SPECTACULARS" into their other assignments *(what other assignments?)* — and therefore they decided to hold the other four "SPECTACULARS" in abeyance for a year or two — *until (they hoped) the people would "FORGET."* Now, do you think that was the true reason? NO! The true reason is that those *"volunteer"* Stars, Writers and Directors were terrified by the public outrage our *"Tract"* had created. Most of them are idle most of the time because they are already so discredited that many SPONSORS and the Networks are afraid to employ them — *and they suddenly realized that appearing in those "SPECTACULARS" would spell complete FINISH for them!*

Do I have to say anything more about the effectiveness of YOUR letters and signed "Tracts?" Do I have to stress that YOUR letters to Congress and the Legislatures can do equally effective jobs for the grave need of a thorough "House-Cleaning?"

Nowthen: I am fast approaching my 78th birthday. At my age I certainly have no personal axe to grind; I seek no personal aggrandizement. All I seek today is to do my little best to save our Country. The only reward I seek is that when God will finally recall me, He will place His Hand on my shoulder and say: *"Well done, my son — you have been loyal to the Mission I assigned to you."*

However, I have not yet *completed* my *"mission."* By the grace of God, I still have all my faculties. And *(I hope)* I still have time to complete that *"Mission."* Anyway, even at 78 I am still willing and eager to lead in the fight for the salvation of our nation and the preservation of His TRUTH on Earth. By that, I mean that I am willing to make myself the chief *"target"* of the *Enemy.* Are you willing to follow and join me in that leadership? — *Because I cannot do it alone!*

HOW YOU CAN HELP

Our most important job is to get *this* story to ALL of the American people. The Press won't do it. Neither will TV or Radio. It must be done by YOU and by me. YOU can do it in your community by getting copies to all your friends and neighbors — *and urge them to carry out the directives contained in this document.*

Another MUST "Help": To get this project into IMMEDIATE action we must contact all the patriots, individuals and groups, we can reach throughout the nation. That means we must immediately mail between 40,000 and 50,000 copies of this "SPECIAL." We are getting 20,000 copies out today — but we do not have the finances to get out the other *(approximately)* 30,000 copies. I am sure you will want to help the financing of these additional 30,000 mailings. One dollar will finance seven mailings — ten dollars will finance 70 — $100.00 will finance

700. Please, *please,* send us as much *"finan[illegible]"* dollars that you can afford . . . *please do it TODAY* — NO[illegible]*ou may forget tomorrow.*

Also, you may have friends and neighbors and heads of DAR, VFW, American Legion Posts, etc., that you'd like to alert with copies of this "SPECIAL," but can't spare the time, or, for your own reason, prefer to be anonymous—send us their names and the financing and we will be most happy to do it for you. Also if you will send us lists of the doctors, lawyers, dentists, ministers, etc., in your community, with mailing *"financing,"* we will send them copies — and urge them to get additional copies *(also "Tracts")* to be available for patients and clients in their waiting rooms . . . *Please give this your IMMEDIATE attention — the salvation of our nation may depend upon it! ! !*

WE NEED MORE "SOLDIERS"

In the days of Nero, it was the *"Christian Soliders"* who saved and preserved Christianity for us. Those humble *"soldiers"* were few in number. Nothing stopped them — neither fiendish persecution, neither torture, neither death. Throughout the history of civilization never have so many owed so much to so few. *Today history is repeating itself right here in America!* Today, it is the members of CEG, and similar patriots, who are the *"Christian Soldiers"* fighting for the salvation of our once-glorious Country — and for the preservation of Christianity — *fighting against frightful odds!* We are as few as were the *"Christian Soldiers"* of 2,000 years ago — *even fewer!* I can truly say that never in the history of our nation have so many owed so much *(the preservation of our nation)* to so few. But, my friend, we *desperately* need more *"Soldiers."* Here is the kind of *"Soldiers"* I mean: Through all the years that I have headed CEG I have found that the key to all of our achievements has been the individual DEDICATED *"Member."* We have thousands of non-member contacts who buy our *"News-Bulletins,"* books and *"Tracts."* Most of them cooperate with all of our projects, *but even that cooperation comes as a result of the constant urgings of our "Members."* So, once again, I appeal to you to try to increase our *fighting members* within your community — twenty, even ten such additional members *can* fully alert your entire community, and start the kind of avalanches of letters that will FORCE Congress, *and your Legislature,* to take the ACTION we MUST get to smash the entire Great Conspiracy . . . Incidentally, in those early (Nero's) days, the *"Christian Soldiers"* in every community secretly organized themselves into *"groups,"* thus enabling them to fight more effectively . . . please do the same in your community — *create* "STUDY GROUPS," to operate in concert.

ANOTHER WAY YOU CAN HELP

We feel that it is *extremely vital* that every member in both Houses of Congress should get copies of all of our *"News-Bulletins"* — not only t[illegible]*ert* them, but to prevent the pretences of some that they *"nev[illegible]eard"* of the treachery and treason being committed in Washington — or the need of the ACTION necessary to stop it. Beginning in 1962 we were able, through contributions from our members, to provide all members of Congress with copies, but now our funds for that purpose are exhausted. Can you, *will* you help us to continue such mailings by a *special* contribution, *marked* for that purpose?

Likewise, it is equally vital that all members of all the Legislatures in all 50 states should get copies, but we'd be utterly swamped if we tried to do it, so I earnestly hope and pray that our local members in all communities will do that job for us.

VITAL ADDENDUM! ! !

For several weeks we have been doing a thorough research job on the doings of the Martin LUCIFER KING mobs in Alabama. What we have uncovered has horrified even me, hardened as I am to all such atrocities . . . it will *more* than horrify you — it will frighten you half to death, but it will ENRAGE you into the kind of ACTION we must have.

Please let me know if you approve my putting that entire horrifying story in a *"Tract"* — let me know if you will help us to get MILLIONS of copies of that *"Tract"* circulating throughout the nation. *Such a "Tract" alone could torpedo the entire "Racial Strife" Plot!*

Please give this matter — give everything in this entire "SPECIAL" your *immediate* attention . . . *Do it today* — NOW — you may forget tomorrow . . . I repeat: *the salvation of our Nation may depend on it ! ! !*

Yours for God and Country

Myron C. Fagan

Additional copies of this "Special Bulletin" can be had for 15 cents a single copy — or 10 cents per copy in quantities of 10 copies or more . . . This "SPECIAL" can greatly help you to enlist all your friends in this HOLY war.

All our "News-Bulletins" are 50 cents per copy — 25 cents per copy to CEG members . . . Our "Tracts" are $2.00 for 100 copies.

In Re: Request for information concerning alleged Communists and "Fellow-Travelers"

To Whom It May Concern:

The enclosed tract was given to me by a conscientious, well-meaning man who received it at his local church.

I cannot accept as true such serious charges as are outlined against these people unless these charges are proved to be true.

On the other hand, I cannot understand how the people who publish this tract (and the book which they wish to sell) dare to do so without danger of prosecution unless there is truth in their accusations.

Therefore, I sincerely request that someone with the proper authority in the F.B.I., the only agency whose word I can possibly accept in such a serious matter, please let me know what is true and what is untrue about the information on this tract.

REC- 15 62-87267-994

I request this information because I am gravely concerned about the influence of these people, particularly the influence of the writers and of Chet Huntley.

Sincerely,

Dear Sir,

My neighbor and I have lengthy discussions about civil Rights and the negro problems in america today. Yesterday someone ~~had~~ HAND him the "Special 'Civil Rights' Tract" enclosed and he showed it to me as proof of what the negro "animal" is really like.

He claims Dr. Martain Luther King is a Communist. I was wondering if you could give me any information as to what his politics are?

He tells me all the demonstrations and riotig in this country is backed by communists. I can't argue back with him because I have no basic proof for my arguments. Please reply concerning these problems, my name and address is.
Mrs. [redacted]

I know you must be terribly busy but the people of this country is what make a democratic government the best type of government and I don't think the people should be mislead.

Thank you very much,

Mrs. [redacted]

P. S. Also could you tell me how much of what is in this little paper is true.

Steve Allen Is Supported For Congress

BEVERLY HILLS, Calif. (AP) — A citizens committee to draft entertainer Steve Allen for Congress has been formed.

Its organizers, including science-fiction writer Ray Bradbury and comedian Bill Dana, have rented a Wilshire Boulevard office for headquarters.

Publicist Carl May said the committee will collect signatures on a petition to be presented to the entertainer when he arrives here Wednesday. Allen is in Las Vegas, Nev., for a night club act.

Allen, 44, a Democrat, said last week he is considering running for the seat being vacated by Rep. James Roosevelt, D-Calif., when the latter takes his seat in the United Nations as U.S. representative to the Economic and Social Council.

Among nations of the Antilles chain in the Caribbean, the Dominican Republic is second in size to Cuba.

Mr. J. Edgar Hoover, Chief

Washington, D. C. 20025

My dear Mr. Hoover: Cinema Educational Guild, Inc

This is to let you know that I--like millions of other law-abiding Americans--am with you in your fight to save this country against subversives.

On August 25th I think it was I heard a radio interview with a former FBI man who had written an article on the FBI for the leftwing Ramparts Magazine, which is published in Menlo Park, California, in which he was critical of you and the FBI. I resented his remarks and thoroughly disagreed with his viewpoint. I do not think he has the best interests of America at heart, or that his thinking is American.

This individual--I don't recall his name--made the suggestion that the FBI be united with the infiltrated Central Intelligence Agency. Heaven help us if that should come to pass. We will be living in a police state for sure.

Hang on to your job and independence. America needs you today like she has never needed you before.

I see many encouraging signs today that people are becoming more and more awakened to the menace of Communism. I think the Berkeley riots did a lot to awaken them. Then the Viet Cong outbreak in Watts opened some more eyes.

A San Francisco woman found a paper in a church during the Watts riots giving the schedule of the Los Angeles riot and one to be followed in Berkeley and San Francisco. The paper originated in Moscow, Peking and Cuba under the auspices of [redacted], a Negro wanted in North Carolina for kidnapping. The Watts riot was on schedule. Three policemen were cornered in Berkeley this week by some Negroes. Fortunately, the police were rescued before a riot broke out like that one in Watts.

We are in a religious war. Communism is a front for Phariseeism. The battle is Chtist versus Anti-Christ; God versus Anti-God; good versus evil; Christianity versus Phariseeism-Satanism-Judaism; the Bible versus the Talmud. Judaism became Phariseeism in 70 A. D. God is going to win. I may not live to see his victory, but he will win.

Sincerely,

CORRESPONDENCE

Well, that's what "Treaty" status for UNESCO will do—it will surrender AMERICAN YOUTH to the INTERNATIONALIST-COMMUNIST CONSPIRACY!!!

URGENT WARNING

We all were horrified when Castro began to ship Cuban children to Moscow to be Communist indoctrinated . . . Well, if UNESCO is given "Treaty" status they won't have to send our American children to Moscow to be Communist indoctrinated—UNESCO will do it right here" . . . Do you want that to happen?

THE SALVATION of AMERICAN YOUTH demands that UNESCO must be DESTROYED!

To some, that may seem to be an "extremist" statement, but, as you read this "Tract," bear THIS in mind: UNESCO was created to accomplish just one job—to entrap YOUR unwary and defenseless children into Communist enslavement—and today they already are far on their way to full achievement of that job!

HOW THEY ACCOMPLISHED IT

The modus operandi to achieve that UNESCO objective was to infiltrate and finally acquire complete control of the entire American Educational System, from Kindergarten to University—in order to brainwash all AMERICAN YOUTH into contempt for patriotism and nationalism—and into complete acceptance of Communism and One-Worldism . . . and, in the process, to destroy all home and parental influences.

In order to keep the American people unaware of this findish plot, it had to be introduced gradually—and very hush-hush! Furthermore, to inspire respect and confidence, it was to be provided with a highly regarded (humanitarian) sponsorship. Thus, in November 1945, five months after the "United Nations" came into official existence, a special meeting in London gave birth to the "United Nations Educational, Scientific and Cultural Organization," commonly known as UNESCO.

Bear in mind, at that particular time the UN was a "Holy of Holies," created to preserve PEACE—and to work for the GOOD of all peoples. Therefore, any UN Agency was equally a "Holy of Holies."

However, to accomplish the "brainwashing" part of the job, it was ncessary to transform all of our educational processes . . . all of the tried and true text books, such as the McGuffey Reader, etc., would have to be replaced by new (UNESCO inspired) text books which would contain subtle (and not so subtle) Communist and One-World "education" . . . all the old text books that could not be eliminated would have to be revised and slanted with similar "brainwashing education."

By itself, UNESCO couldn't possibly have achieved such a brazen transformation. It had to be fully approved and supported by our "National Education Ass'n" (NEA) . . . ditto the State and City School Boards of Educations . . . ditto the "American Association of School Administrators" (AASA) . . . ditto the "National Congress of Parents and Teachers" (NCPT), which controls all local PTAs . . . ditto the TEACHERS! They ALL had to be in on it! And they all were—right from the inception of the plot! As a matter of DOCUMENTED fact, NEA proudly claims the "distinction" of having given UNESCO its start. That was proclaimed in Boston, Mass., during their 87th Annual Meeting, July 3-8, 1949, and so recorded on pages 33 and 34 of the "Minutes" of that Meeting.

Those "recordings" establish that the NEA is dedicated towards carrying out the principles of "education" as outlined by UNESCO—to do this, UNESCO policy has been made NEA policy . . . the AASA made UNESCO its policy—its primary job is to administrate this UNESCO policy and see to it that it is carried out in the schools . . . the NCPT also has adopted UNESCO policy as its policy—THEIR primary function is to make sure that the parents are deluded by the local PTAs into "going along" with the schools in each district—and thus MAKE SURE the Communist-dominated One-World teachings are indoctrinated into every child in America!

This is a serious charge—but true as gospel . . . it was Moscow that, at the behest of the Masterminds of the One-World Conspiracy, originated UNESCO—Moscow helped write it . . . they censored and approved its principles and policies before they were adopted in London in 1945—and the MOSCOW REDS have been in complete control of UNESCO since its inception. . . .

HERE IS THE PROOF

The UNESCO Executive Board is the ruling body of UNESCO activities throughout the World. Its chief function is to carry out the directives issued by the Office of the Director-General . . . Now look at the Top Brass of this Executive Board—and SHUDDER!!!

1) The Director-General is France's Rene Maheu, one of France's top Reds . . . 2) Ass't Director-General of ALL UNESCO is one of Russia's most ruthless Reds, Pavel Ivanovitch Erchov. He steers the course—exactly as the UN's Moscow RED First Assistant Secretary-General steers the course of the Military Secretariat in the UN . . . 3) Deputy Director in charge of the entire UNESCO Dep't of Education is Russia's No. 3 Communist, Vladimir Marlmovsky . . . 4) Chief of the Division of Social Science is Russia's Georgi Skorov . . . 5) Chief of Secondary Education for UNESCO is Russia's infamous Mrs. A. Jegalova—this female of the species is the former Chief of Inspection Division of the Soviet Ministry of Education, etc. . . . 6) Director of UNESCO's Natural Science Dep't is Russia's Victor A. Kovda, another of Moscow's most vicious Reds . . . 7) M. Kuznetsov, of Russia, is chief of translations in the Documents and Publications Service Division . . . 8) Sioma Tanguian, of Russia, is Program Specialist in UNESCO's Education Clearing House . . . 9) Mrs. Valery Birioniov, of Russia, is chief of the Publication Liaison Division . . . 10) Mrs. T. Beliaeva, of Russia, is chief Librarian in the Department of Cultural Activities . . . 11) V. Birionkov, of Russia, is program assistant, Publications Liaison Division, Dep't of Mass Communications . . . 12) H. Kovalsky, of Russia, Chief of Press Division, Dep't of Mass Communications.

These are just a few of the MOSCOW REDS in the governing body of UNESCO—we don't have enough space to name ALL of them. But, wait! In addition, there are REDS from RED China, RED Korea, RED Viet Nam, Mongolia, East Germany, Poland, REDS from all of Moscow's Satellites in the UNESCO governing body . . . those are the people who formulate and control the policies of UNESCO—who rule upon the principles in our Educational System—who decide what OUR CHILDREN are to be taught!

NOTE: All of the above hardly even scratches the surface of this HORROR STORY. For the salvation of YOUR children, you should know ALL of it—you should know, MUST know, how UNESCO is building up to deliver ALL of our AMERICAN YOUTH to Communist enslavement—you should know the names of the AMERICAN traitors who are collaborating in this foul plot. You will find all of it in "NEWS-BULLETIN" No. 86, entitled "UNESCO: NO. 1 ENEMY of AMERICAN YOUTH," by Myron C. Fagan. Get a copy—read and DIGEST it. It will startle you—horrify you—ENRAGE you . . . and make you so FIGHTING MAD you'll never stop fighting until UNESCO is UTTERLY DESTROYED! You can get this MUST 32-page book by sending 50 cents to "Cinema Educational Guild, Inc." Ed.

Now, let's see how our (by accident of birth) American traitors have been, and still are, collaborating in this horrifying betrayal of our helpless, defenseless and innocent YOUTH.

STATE DEP'T SHIELDS UNESCO!!!

When the plot was being organized, the "Masterminds" knew that to make it succeed they would have to keep the American people completely unaware that UNESCO is an integral apparatus of the over-all GREAT CONSPIRACY. To delude us, it was vital to make UNESCO appear to be "An American Idea" . . . so the U.S. State Department set up what it called: "THE UNITED STATES SECRETARIAT FOR UNESCO." It is composed of 100 members. Its headquarters is in the State Department. . . . Of this 100 membership, 60 are allocated to educators, scientists and cultural organizations—and 40 are retained by the State Department . . . the State Department, in turn, reserved 10

UNESCO
IS
DEADLY MENACE
TO
AMERICAN YOUTH

—•—

Time after time after time, the Masterminds of the "Internationalist-Communist Conspiracy" tried to railroad Congress into granting full "TREATY" status to various UN plots, such as "GENOCIDE," "WORLD COURT," etc. Treaty status would automatically have made any of those plots a LAW OF THE LAND . . . and that would have delivered the American people into a Communist (UN) One-World Government. Only avalanches of angry protests (signed "Tracts") from constituents (VOTERS) to their Representatives and Senators torpedoed all tho[illegible]ots.

However, the "Masterminds" never quit—N[illegible], at this very time, several of their Washington stooges are SECRETLY scheming to railroad one of several camouflaged Bills that would give UNESCO full TREATY status—and thus make UNESCO policy in our Educational System a LAW OF THE LAND . . . Here is what such a TREATY would do:

—•—

For years, Stalin and Khrushchev have been saying . . . **"Give us control of one generation of AMERICAN YOUTH and we will own America."**

memberships for Senators and/or Congressmen—and fills 15 additional seats with State or Local office holders.

THAT is how **UNESCO** is enabled to reach into most every major governmental body to assure that its "educational" policy of indoctrinating our YOUTH into COMMUNISM and ONE-WORLDISM is carried out.

—•—

STATE DEP'T FINANCES UNESCO—UNLAWFULLY!!

—•—

The irony of this entire situation is that YOU are paying for the destruction and enslavement of your own children by financing the UNESCO plot—to wit: Your tax dollars pay for more than 30 per cent of the entire international UNESCO work . . . it pays for an additional 40 per cent for the work of "agencies" which are "subsidiaries" of UNESCO. Your tax dollars also pay ALL of the expenses of the "U.S. National Commission for UNESCO" (also known as the "U.S. Secretariat for UNESCO,") regardless of the size of the bill in any one given year.

But now get this: while all this is being done, a FEDERAL STATUTE IS BEING VIOLATED by every school in the nation, by the State Department, by NEA, by EVERYBODY who supports UNESCO, to wit:

EVERY year when the Department of State Appropriations Act is passed in Congress, a section is added which FORBIDS the teaching of one-world government. Public Law 471, House Bill 8067, 83rd Congress, second session, which provides for this section, as interpreted by Nevada's late Sen. Pat McCarran, warns:

"This provision of the Law is a specific direction against the teaching of one-world citizenship and one-world government in the schools of our country . . . Those of us who are interested in maintaining our way of life and our form of government are determined to arouse the people of this country against that which would destroy patriotism in America and lead the Youth of America to believe that the UNITED NATIONS is superior to the American Government."

Read "News-Bulletin" No. 86 for full details—read the NAMES, headed by Milton Eisenhower, of the men and women who are collaborating with this vicious plot—"Americans" of Benedict Arnold ilk . . . only THEIR treason is even more foul, because their victims are YOUR defenseless children! Read—then don't stop fighting until every one of them is hurled out of our Educational System! . . . Read—then don't stop fighting until Congress rigidly investigates the State Department's UNLAWFUL financing of UNESCO!

—•—

OUR MOST URGENT JOB!!!

—•—

The Masterminds of the "GREAT CONSPIRACY" are frightened—terrified. Their "UNITED NATIONS" is now skating on very thin ice. The American people are awakening—FAST! Actually, their (the "Masterminds") last hope of achieving a Communist One-World Government lies in a thoroughly brainwashed AMERICAN YOUTH. They can achieve that brainwashing only through UNESCO. But when the UN will finally be torpedoed, UNESCO will go with it—unless they can meanwhile get TREATY status for it and thus make **UNESCO a LAW of the LAND unto itself!**

So, during the past year, several of their stooges in Congress have been craftily devising ways and means to slip it through very hush-hushedly. It is included; in fine print, in Kennedy's **"Federal Aid To Education"** Bill—ditto in various other of Kennedy's MUST Bills—on the theory that one of them will go through and thus provide TREATY status for UNESCO. The original title of the TREATY is **"UN Declaration of Human Rights."** It has now been changed to: **"Convention Against Discrimination in Education"**—and is therefore tied in with **"Desegregation."** However, it is all so camouflaged in ALL the pending Bills that only careful scrutiny by our Representatives and Senators will reveal the cunning trick.

Moreover, TIME is their most important element in this plot: with doom for the UN on the horizon, the "Masterminds" have instructed their stooges in Congress to rush the railroading of at least one of those Bills in this session of Congress—and report SUCCESS to the November 1962 meeting of the UNESCO General Assembly in Paris!

Now you know why YOU, why ALL American mothers and fathers, must get off the sidelines and get to work in this greatest battle for Freedom and Liberty since our Revolutionary War! You MUST—if you want to save **YOUR CHILDREN from Communist enslavement!**

Read full instructions in **"News-Bulletin No. 86 and join in the fight at once!**

Meanwhile, send signed copies of this "Tract" to your Representative and Senators in Washington—to the members of your State Legislature . . . and get ALL of their CONSTITUENTS to do likewise—**DO IT TODAY! The futures of YOUR children depend on it!**

—•—

Every Member in both Houses of Congress has a SWORN obligation and duty to protect and defend the United States, the Constitution, the American people—and to safeguard all of AMERICAN YOUTH!

I, the undersigned, a citizen of the United States, hereby urgently request my representatives in both Houses of Congress to join with other Members of both Houses to thoroughly investigate UNESCO—and OUTLAW it and all its Agencies. I also urge that all individuals who have knowingly and deliberately aided and abetted this plot shall be tried on a charge of treason and punished accordingly.

RACIAL MATTERS

Enclosed herewith for the Bureau and Los Angeles are 8 copies and one copy respectively of a LHM sutible for dissemination, together with the same number of copies of a throwaway entitled "1965 Special 'Civil Rights' Tract - MARTIN LUTHER KING and his 'CIVIL RIGHTS' URINATORS."

This document was brought to the Richmond Office by Mrs. [redacted] who stated that the throwaway was handed to her in the downtown Richmond business district approximately 2 weeks ago by an unknown Caucasian female, whom Mrs. [redacted] could not further describe.

Mrs. [redacted], a Caucasian female, desired that her identity be confidential and stated that she felt that the throwaway was inflammatory in its message and could cause resentments between Caucasians and Negroes to be heightened rather than lessened.

She stated that she did not know if any federal law was violated by the distribution of such literature but she felt as an American citizen that it should be brought to the attention of interested federal authorities.

One copy is being sent to Los Angeles with enclosure for information in the event the Bureau is desirous of further knowledge re captioned subject.

RE: CINEMA EDUCATIONAL GUILD, INC.,
P. O. Box 46205, Cole Branch,
Hollywood 46, California

On September 17, 1965 the Richmond Office of the Federal Bureau of Investigation received, from a source who desires to have her identity kept confidential, a copy of a throwaway known as "1965 - Special 'Civil Rights' Tract - MARTIN LUTHER KING and his 'CIVIL RIGHTS' URINATORS", which was published in the form of a 3" X 5" folded commentary as published by the Cinema Educational Guild, Incorporated, P. O. Box 46205, Cole Branch, Hollywood 46, California. It in substance discussed the prior actions of Negro demonstrators. The throwaway dealt primarily with instances of Negro demonstrators urinating on two occasions while picketing Governor GEORGE WALLACE in Alabama and in an unspecified restaurant on an unstated date.

The throwaways stated that these criminal acts went unpunished and that when these acts were specifically requested to be asked of Reverend MARTIN LUTHER KING by moderator LAWRENCE SPIVAK of the television show called "Meet the Press" in March, 1965, the questions were not asked of KING.

Additionally the throwaway was critical of the JOHNSON administration, the march from Selma to Montgomery, Alabama, and the National Council of Churches. The tract concluded by extreme criticism of President JOHNSON and his alleged associates and suggested that readers write to their representatives and senators to "clean such men out of Washington."

and salvation of our nation. But I earnestly suggest you watch the next "MEET THE PRESS," so as to get the names of their local Sponsors and let them and MEET THE PRESS and the NETWORKS know how you feel — and what you will do about it.

—o—

Now, to remove even a remote doubt that my criticism of "MEET THE PRESS" is too harsh, I will stress an even far more vicious and heinous feature of the "CIVIL RIGHTS" demonstrations in Alabama:

We KNOW that more than 30,000 individuals participated in those "Marches" — many, if not the vast majority, were non-residents of Alabama. Many of them were teen-agers and in the 20 and 30 year brackets. They were lured there by the Communist Negro and White "Leaders" by promises (fulfilled) of $10.00 per day and free room and board, plus promises (fulfilled) of SEX ORGIES and freedom to commit other lawless acts — and they were promised protection of all their lawlessness by Federal troops and Federal Marshals . . . and they WERE protected by FEDERAL TROOPS, ON JOHNSON'S ORDERS! ! !

All of that was documented by Congressman William L. Dickinson. In a speech to the House, he stated: "Drunkenness and sex orgies was the order of the day in Selma, on the road to Montgomery and in Montgomery. The participants in the March consisted of Negroes, do-gooders, Communists and human flotsam such as adventurers, beatniks and prostitutes . . . The Communist Party, with a powerful assist by the "National Council of Churches," gave those groups cohesiveness, MONEY and direction (by King and similar "Reverends") — and they were promised all the sex they would want from opposite members of either race . . . Free love among this group was not only condoned — it was ENCOURAGED. They were told that only by the ULTIMATE sex act with one of another color can they demonstrate they have no prejudice". The Congressman backed up his speech with leaflets and "bulletins" issued by the "Leaders" of the "Demonstrations."

To remove ALL doubt that the "National Council of Churches" FULLY supports the Kings and the Racial strife, I quote from a statement by our "President" Johnson, who stated that "the first grants of funds for RADIO TOUGALOO ASSOCIATION, (a flaming Red outfit) was made by the NATIONAL COUNCIL OF CHURCHES"! ! !

—o—

These are the kind of people, sex-crazed African savages, beatniks, prostitutes, sex-perverts, homosexuals who are screaming for "Civil Rights" and "Equality" for the Negroes — and are encouraged and protected by our "President," who is fully aware of all of the above. But that should not be so astonishing — after all, Johnson's palsy-walsies throughout his career are known crooks, swindlers, congenital liars, political charlatans, homosexuals, etc. Now, do you realize why every self-respecting American MUST demand Congressional action to clean such men out of Washington? Do it NOW — write your Representatives and Senators — and enclose a copy of this "Tract."

1965 — Special "CIVIL RIGHTS" Tract — 1965

MARTIN LUTHER KING

AND HIS

"CIVIL RIGHTS"

URINATORS

—o—

In several of our "News-Bulletins" we clearly revealed the kind of Negro riotings and "Demonstrations" that had been blue-printed for action in 1965 (after the election) to throw our entire nation into chaos and anarchy — in order to bring about "Martial Law" under (final) UN direction. It was a frightening story — and we pleaded with everybody to be on guard against it. We stressed that the riotings were to be "commanded" by Negro Leaders — with Martin Luther (pardon) LUCIFER King to be the KEY Leader — with Johnson's blessings ! ! !

Now, during the past months, we have seen the nauseatingly atrocious "non-violent" demonstrations in Alabama — under the leadership of King and his "Lieutenants."

The reason King is the "Key" to this entire "CIVIL RIGHTS" plot is that he is a so-called "Reverend" — but, more important, because Johnson's door is wide open to this would-be Black Dictator! Moreover, this black man openly breaks laws and defies Court Injunctions, but is shielded by the Washington powers-that-be from the kind of prosecution that no White Southerner, not even a Governor, can escape.

It has been fully established that King has been directly affiliated with more than 50 Red Front groups—and that he and his "demonstrations" are financially supported (lavishly) by the One-World plotters who are deliberately using the Negroes to accomplish their objectives, as was directed in the Israel Cohen book: **"A RACIAL PROGRAM FOR THE 20th CENTURY."**

So now we submit at least two incidents in Alabama that distinctly PROVE that the Washington authorities (Johnson and Katzenbach) will do nothing to stop the brazen lawlessness of King and his mobs, that, in fact, they **encourage and sustain it** — and that all of our Mass Communications Media frienziedly **"hush-up"** all that lawlessness and **betrayal!**

1) Recently, on **Friday, March 19, 1965, to be** exact, Columnist Morrie Ryskind published in the L.A. Times, a review of King's "non-violent" demonstrations in Selma and Birmingham (in defiance of Court Injunctions). He headed his column with: "BUT HOW NECESSARY WAS IT REALLY?" He went into all the aspects of the Civil Rights and Desegregation movement. In the past (and even in that Column) Ryskind frequently deplored the "persecutions" supposedly suffered by the Negroes — and the need for "amelioration" of their "wrongs." But, at one point, nauseated by the vile acts of the "Marchers" in Alabama, he cried out (published):

"But was the Cause really helped when 75 of those picketing Gov. George Wallace demonstrated by rising at a given signal and urinating in the streets?"

That act was, at the very least, indecent exposure and public nuisance — **both criminal acts!** Nothing was done about it by the Authorities — and no mention of it was made by ANY of our Mass Communications Media **(except by Ryskind in his L. A. Times Column).**

2) Now for another, and even more reprehensible and foul (Criminal) act: Immediately after the issuance of the Desegregation Decision, a group of Negroes forced their way into a restaurant. Thus the place was filled with Whites and Negroes. At a given signal, all the Negroes grabbed the sugar bowls off the tables, stood up, and urinated into them, and then, amid howls of laughter, replaced the bowls on the tables.

—o—

That act, **(and it was repeated in other eating places)** was not only indecent exposure and public nuisance, **it was a menace to public health** — and a distinct CRIMINAL act! Yet, nothing was done about it by the authorities — **and was completely ignored by all of our Mass Communications Media!**

Now, the following is concrete PROOF that our Mass Communications Media DELIBERATELY refuse to reveal all these horrendous acts — and DELIBERATELY keep the truth from the people, even when **brought to their attention**, and thus actually encourage the Negro-Communist atrocities; to wit:

On March 21, at the conclusion of the "MEET THE PRESS" TV show, Lawrence Spivak, owner of the show, announced: **"Our next distinguished guest will be Rev. Martin Luther King."**

Thereupon we promptly wrote him about the above mentioned incidents, with a **verbatim** quote of Ryskind's PUBLISHED statement . . . Spivak has always assured that: **"all questions and opinions expressed by our panel (and himself) are not their own personal opinions — they merely seek to provide the public with impartial facts, views and UNBIASED news."**

Quoting his own statement in our letter, we appealed to him to direct two vital questions to King: 1) **"Repeat the Ryskind charge and ask him (King) if he approved of such a "demonstration."** Assuming that King would **"piously"** proclaim disapproval, I urged Spivak to ask him if he would be willing to deliver the perpetrators of that foul act to the authorities for proper prosecution? — **or would he call that "POLICE BRUTALITY"?**

We also urged Spivak to ask King the same questions about the foul acts committed by his "persecuted" Negroes in the Restaurants.

—o—

Spivak received our letter in plenty of time. We KNOW THAT — we have his (Post Office) signed receipt. **But neither Spivak nor any of his panelists asked either question!**

Instead, they leaned over backward to provide this black saboteur of our nation with an "image" of piety and righteousness — as follows:

As we know, there was a rigid Court Injunction against the **(demonstrating)** Marches in Selma and Birmingham — and, as we know, King had scornfully defied the **"Injunctions"** and ordered the Marches to proceed . . . one of the panelists asked him, in view of his (King's) proclamations that all of his activities are **non-violent and law-abiding**, why he had defied the Court Injunction. King **"piously," but loftily**, declared that he scorns civil laws that are not in accord with (his idea of) moral laws. This, from a black man whose innate instincts still are savagery, if not cannibalism . . . **and all but one of the panelists nodded approvingly! ! !**

Now, this is not the only time that "MEET THE PRESS" has provided a nation-wide forum for vicious haters of America—the despicable Krishna Menon was one of them.

So now I will let YOU appraise this "MEET THE PRESS" in your own way . . . I will let YOU decide which is more important: a "MEET THE PRESS" and others of that ilk on TV and Radio, who delude, deceive and brainwash the people — or the safety

Dear Sirs:

Enclosed I am sending the tract "Red Stars" which I received, recently. In it is a list of some 200 alleged Communists. I would like to know three things - 1. are the persons listed really communists? 2. Is the content of the tract true? 3. Would you advise its distribution?

I am sorry to bother you with this matter, but know you have the information.

Dear Sir:

A friend recently handed me the enclosed tract, and I am at a loss to know what to believe about it. I know nothing of the people who print it--so I am seeking the truth. Perhaps you can give it to me. If these charges are true, then perhaps people should follow their suggestion and boycott these peoples films & other works.

I should certainly appreciate hearing from you on this subject. I know you are a busy man, but this seems to me to be an important thing.

Dear Mr. [redacted]:

Your letter of February 12th, with enclosures, has been received and I want to thank you for sending me this information.

Although I would like to be of service, the files of the FBI are confidential pursuant to regulations of the Department of Justice. You may be interested in knowing that Mr. Myron C. Fagan or representatives of the Cinema Educational Guild, Inc., definitely do not have access to the files of the FBI.

As a matter of long-standing policy I am unable to furnish the advice you are seeking; however, your communication will be made a matter of record in our files.

Sincerely yours,

J. Edgar Hoover

Gentlemen:

I am writing this letter because I believe you may be interested in the enclosed material. Perhaps, and probably undoubtedly, you are familiar with this man Fagan's activities, but as a citizen I feel it is my duty to send this "blurb" in to you.

I do not understand how I got onto this organization's mailing list. From the way it is addressed to [redacted], I believe my name was simply "plucked" from the telephone directory. This is indeed my old address in [redacted], but the street numbering has been changed and my house was renumbered to 37. The only outfit sticking to the old numbering system was the telephone company.

At any rate, I do not want my name associated with this or any similiar organization, either left or right-wing. Is there any way that the average citizen can protect himself from this sort of thing?

If I can be of assistance in eliminating this sort of thing, do not hesitate to call on me.

Sincerely,

[redacted]

January, 1966 - - - YEAR - END REPORT

THE MOST IMPORTANT "REPORT" I EVER WROTE.

Dear Fellow-American:

Customarily, during the past 18 years, this document has been called a *"Year-End"* REPORT of the happenings of the past year — and of what we have been doing to awaken the American people to show them how to avert the disasters that have been gradually destroying our beloved Country.

But this REPORT is far, far, FAR more than just a *"Year-End"* REPORT . . . it will contain the only, *I repeat the ONLY*, way that the American people can still save our Country and *your children!* For the love of God, of our Country *and our children*, I *plead* with you to please, PLEASE read this REPORT very carefully — DIGEST it — READ IT AGAIN and again, and then please, PLEASE help me to launch the project that CAN and WILL save our Country . . . God will help us to do it — *if we will help Him!* . . . He will help us if we will help ourselves ! ! ! So please read the following very, VERY carefully and join with us (CEG) and help us to do OUR part to save our Country . . . *And, believe me, if you will do what I urge you to do we CAN yet save our Country! ! !*

ALL AMERICANS MUST KNOW THIS!

During the past year and before, *but particularly during the past year*, we have been issuing *"News-Bulletins"* and *"Special Bulletins"* and *"Tracts"* warning the American people of the fate the plotters *(CFR — Internationalists and the UN)* are planning for us.

Thus, our loyal co-workers *(Members)* in CEG are fully aware of the entire horrifying plot — and have thus enabled us to partially offset the most dangerous features of the plot. Unfortunately, despite the many thousands of our documents that are being circulated by our co-workers, they only scratch the surface — *all of the millions of our loyal Americans should know it all!*

However, since Johnson stepped into the White House the plotters have increased their plottings — they have been so open, so obvious, so brazen in forcing our Congress to surrender to them, that any thinking American must have been becoming *at least partially* aware of these facts. But, oh, if only *every* American were eager to save our Country and *their own children* from One-World Communist enslavement, our entire nation would have arisen in all its might and FORCED our Congress to do what we (CEG) have been urging them to do.

That is why I keep pleading and pleading that every American become fully informed through our writings. The best and almost the only way to do it is by joining CEG and get *every* document we issue, keep them on hand *and keep referring to them — and* circulate them among your friends and neighbors. That is the surest way for all of you to become our loyal and patriotic co-workers for the salvation of our country.

However, there is one tragic defect in mere circulation of our writings among your neighbors and friends: even those few who fully believe what they read, quickly *forget — unless constantly reminded!* They *"forget"* because they are promptly re-brainwashed by our treasonous Mass Communications Media — and by the false *"reports"* issued by our traitors in Washington *(Johnson, Rusk, McNamara, etc.)* That's why I urge: don't believe all you read in the Press, don't believe what you hear on the Radio, don't believe all that you *see* on TV.

True, we have some marvelous Americans on Radio and TV, such as Richard Cotten, Hurst Amyx, Dr. Carl McIntyre, Dean Manion, Smoot, Don Jackson, etc., who plead for your Americanism as earnestly as I do, but they are quickly outshouted by the Huntleys, Brinkleys, Howard K. Smiths, Lomax, etc. Also those loyal *"Americans"* are limited to the few *loyal* Stations, whereas the others have all the support of the National Red Channels and their local *"Jackal"* Stations . . . Please, please support the Americans — *and BOYCOTT the Sponsors who employ all Reds!* Urge *them* (the Americans)to tell the following story to *their* audiences, even though those audiences are limited in number . . . *and let the Sponsors of the Reds know you are boycotting their products! ! !*

Now, as I've said, unfortunately not enough thousands get our *"News-Bulletins"* as they come off the press, but they can still obtain some of our back issues. However, for those who want the *real* and *documented* plot to destroy our Country in practically one package, I urge everyone who reads this *"Report"* to get our *"News-Bulletin,"* No. 110, entitled *"OUR INVISIBLE GOVERNMENT MADE VISIBLE,"* and *"News-Bulletin"* No. 114, entitled *"HOW ALL GREAT WHITE NATIONS HAVE BEEN MONGRELIZED AND THEN NEGROIZED."* Those two *"News-Bulletins"* will horrify them, terrify them, but make them FIGHTING MAD to destroy the traitors who are destroying our Country.

HOW TO FORCE CONGRESS TO DO THE JOB.

Throughout the past 18 years, I have been urging all loyal Americans to write to their Representatives and Senators in Congress and to their representatives in State Legislatures — write *stinging* demands for action and *proper voting* for pro-American Bills.

Now, I have distinct knowledge that MANY thousands, perhaps MILLIONS, of Americans have written such letters — my information comes direct from the offices of various members of Congress and State Legislators. But more and more do I realize that such means *(letters)* get us nowhere. Many Congressmen simply ignore the letters from their constituents — many reply with *"form"* letters, denying all knowledge of the complaints. Many of the men YOU elected lied in their throats during their campaigns when they SWORE to safeguard our Constitution and YOUR freedoms — all they wanted was your votes; many others are outright traitors and tools of the Plotters; *(the "Council on Foreign Relations" the ADL, the NAACP, etc.)* many others are silenced into non-action by bribes of Federal Patronage by the traitors in Washington.

In one of our most recent *"News-Bulletins"* and a "SPECIAL" I outlined how we can *cure* this kind of treason — I will now repeat it:

The average Congressman and Legislator is *momentarily* disturbed by your letters threatening not to vote for his re-election. But they all assume that by the time election day rolls around you will have *"forgotten"* your threat — and will again believe their *"promises"* — they also know that our traitorous Mass Communications Media and the traitors in Washington will have rebrainwashed you by that time.

The only thing all members of Congress and Legislatures FEAR is immediate action to hurl them out of their offices, which will destroy their political careers — and the only way that can be done is by RECALL by their constituents.

To PROVE to you that that is a *(our)* most effective action, I will cite two distinct cases, which I have previously cited, but which I will now repeat for those who have *"forgotten."*

1) In 1948 the CFR ("Council on Foreign Relations") set up a secret meeting of all of their "One-World" organizations and stooges in Asheville, No. Carolina. Out of that meeting there emerged an outfit they called "The United World Federalists" (UWF). The Council, or Board of Directors, of the UWF was composed of 42 known FLAMING Reds. They were provided with unlimited funds by the CFR, the Internationalist Bankers, Tax-Free Foundations and Red-dominated Unions. Their one and only job was to seduce and bribe enough States to secretly pass a "RESOLUTION" memorializing (forcing) Congress to transform the U. S. into a unit of a UN-One-World Government. They picked California for their first victim, to serve as an example (Pied Piper) for at least 36 more States. In March 1949 they succeeded, with the help of Earl Warren (then Governor), one Samish, a prison bird, and various newspaper publishers, among them Paul Smith of the San Francisco Chronicle — and that "RESOLUTION" was approved and passed unanimously. Later, most of the Assemblymen and Senators swore that they had never read the RESOLUTION. To a degree, I believe that, but two Senators, Jack B.

Tenney and Hugh Donnelly, managed to get a photostatic copy of the "RESOLUTION." Immediately, they tried to force a public review of that document before the entire Legislature, but the Judiciary Committee rejected their demands. Moreover, neither Tenney nor Donnelly had any documentary proof to back up their demands — they knew practically nothing about the UWF. That was when Tenney came to me (CEG). We had had observers at the Asheville meeting — also we knew many of the "World Entertainment" celebrities on that UWF Board. We promptly provided him with all of our VOLUMINOUS documentations — but even that was rejected by the Judiciary Committee, most of whom had been bribed . . . and even Tenney and Donnelly threw up their hands in surrender. But we (CEG) assured them that we "had just begun to fight."

Masses of letters to the Legislators were rejected. Thus, I knew that only the most kind of drastic action would have to be taken: that was when I hit on the "RECALL" project. That required setting up groups in every Community in California to pledge themselves and their friends and neighbors to join the RECALL groups. And, believe me, that was a stupendous undertaking. CEG was only two years old at the time and our membership was sparse. But, by God's grace, many heads of Women's Clubs were among our staunchest co-workers. They all called meetings in their various communities — they enlisted the support of the American Legion Auxiliaries, ditto DAR, ditto Veterans of Foreign Wars. And the women in all those Auxiliaries brought their men into it. I, personally, travelled all over the state and delivered 300 speeches within two months. And all those Groups organized Committees to go to Sacramento — to inform their representatives that if they did not aid to haul in the UWF and their RESOLUTION for a public review on the Senate floor, they (the groups) would immediately put their RECALLS into vigorous action.

Words can't begin to describe to you the terror that RECALL threat spread into every Legislator's office in Sacramento — even into the heart of traitor Warren! In February 1950, the Legislature surrendered. In March the UWF was hauled in for the Hearing — the RESOLUTION was rescinded (the first time anything like that happened in California) and the UWF was openly denounced as a Treason organization.

But here is even greater proof of the terrific effectiveness of that RECALL project: By January 1950 the UWF had successfully seduced and bribed 25 additional State Legislatures to secretly approve and pass the UWF RESOLUTION . . . ALL THEY NEEDED WAS 10 MORE STATES and that would have meant the end of the U.S.A. . . . and not one newspaper, not one Radio revealed one word about it ! ! ! Nevertheless, the story of what happened in California spread by word of mouth — that same dread of RECALL created panic in the hearts of all the Legislators in the other 25 states . . . within 30 days they hurriedly called "sessions," rescinded the UWF RESOLUTION and denounced the UWF — exactly as California did. And that was the end of the UWF plot!

All of which proves that we can still save our Country — with that same RECALL weapon ! ! !

No. 2) Now let me show you how perfectly that same RECALL movement saved the U. S. from enslavement by the U.N.'s World Court:

During the preparation of the UN Charter, the Plotters inserted what they called "The World Court," in a supposed imitation of our U. S. Supreme Court. But our U. S. Supreme Court, our Constitution and all our Laws were to be subject (without appeal) to the rulings of the "World Court." Naturally, Moscow and all other Communist countries considered themselves completely outside the jurisdiction of the "World Court" — that "Court" was intended only to control the U. S. and other Free Nations — and, naturally, our traitors in Washington would insist that we rigidly adhere to "World Court" jurisdiction. But one man, Senator Connally, saw through the plot, and insisted that before our Senate would sign the "Charter" they include an "amendment" that would outlaw the "World Court" insofar as the United States is concerned — and that all of its rulings and "Decisions" be entirely ignored by the U. S. . . . also that the UN Charter rigidly agree not to interfere in the internal affairs of our Country.

The Plotters tried to prevent that "Connally Amendment," but they realized that it would become a national issue and might well have forced the U. S. to refuse membership in that "Trojan Horse" trap . . . and so the "Connally Amendment" was approved and included in the "Charter."

Nevertheless, through the years the Plotters (quietly) used every possible way and means to get Congress to "hush-hush" all attempts to rescind it, but we had a few watchdogs in both Houses who prevented it. Finally, the Plotters decided on a very bold method, to wit: In his final year in the White House (1959), Eisenhower had Richard Nixon deliver an "oration" in New York, in which he warned that the "Connally Amendment" is a menace to "World Peace." Then the "Military Genius" endorsed the Nixon "oration" with a bumbling speech of his own — and he had Brownell, his then U. S. Attorney General, deliver an even more glowing appeal at an annual meeting of the American Bar Association.

Strangely enough, those speeches were met with considerable favor by some of the people, who were frenziedly being brainwashed by all of our Mass Communications Media and traitors in Washington — besides, the phony "Military Chief" was still a "big figure" with many. In short, our "Connally Amendment" was in very grave danger.

At the same time the "Military Genius" in the White House secretly called each and every Senator for a "confidential discussion," in which he used the "Federal Patronage" threat and thus FORCED 73 Senators to pledge themselves to vote for his Bill to rescind the "Connally Amendment" — wipe it out of the Charter.

So, once again, we decided to resort to our "RECALL" weapon.

We promptly issued a "SPECIAL BULLETIN," in which we reviewed in detail the great safeguard of the "Connally Amendment" and what horrible consequences would result if it would be rescinded. We wrote all our (CEG) members and pleaded with them to circulate that "SPECIAL" and to once again organize RECALL groups and Committees — and to flood every Senator with warnings that any one of them who would vote to destroy the "Connally Amendment" would immediately face a RECALL movement by all of his constituents.

Thousands upon thousands, perhaps MILLIONS, of such warnings poured into the office of every Senator in Washington. They created a panic such as had never before been seen in Washington — and launchd a wild stampede into the White House by all the pledged Senators. They bluntly, some very angrily, notified the "Military Genius" that they positively would vote AGAINST his Bill to destroy the "Connally Amendment." Even Fulbright, who had eagerly offered to submit and sponsor the Bill, hurriedly retracted his offer — and our "Military Genius," metaphorically speaking, crawled under his bed and quavered "why, the whole thing was just a joke!" . . . A "joke" to destroy the sovereignty of the United States ! ! What TREASON ! !

I could name many other cases to prove it, but it is YOU, *the American people,* who control our Congress and our State Legislatures — not the CFR, not the ADL, not all the traitors in Washington. *The above two citations PROVE IT!* Those citations *show* it — *now let's all get together and do it!* And let's all of us pray to God to grant us HIS Divine Inspiration and Direction!

Nowthen: for many years I have pleaded and pleaded and pleaded for certain steps — any one of which will completely unmask the entire plot. All of those steps will so completely smash the entire Conspiracy that it will insure safety for the American people *FOREVER!*

No. 1) Congress MUST haul in the UN and its treasonous "Charter" for a complete open-to-the-public investigation — *exactly as we, the people of California FORCED our Legislature to haul in the UWF and smashed the plot* . . . that alone will NAME all of our ENEMIES WITHIN! *In that review of the UN, Congress MUST reveal the backgrounds of all its officials, from U Thant to the MVD, Russia's secret police, whom they employ as "UN Guards."*

No. 2) Congress MUST haul in the *"Anti-Defamation League,"* its officers, *all its records,* and all their financial resources. That will reveal that they are the chief instrument in the entire Conspiracy — and how they DIRECT the NAACP, Martin "Lucifer" King and all the Negro riotings, lootings and *criminal* disobedience of our Laws;

No. 3) Congress MUST haul in the CFR, their Hierarchs and their Records — that will PROVE that *they* are the crux of the entire Conspiracy — it will show how they *(the CFR)* control the White House, the Pentagon, our State Department and all Federal Agencies.

No. 4) Congress MUST haul in Earl Warren and the entire U. S. Supreme Court and FORCE them to show *why, and by whose orders,* they have been, and are still, misinterpreting and destroying our Constitution — why they have been, and still are, issuing *"Decisions"* protecting Communists and Communism and persecuting loyal American patriots and patriotic organizations.

No. 5) Congress MUST impeach Johnson, Humphrey, Rusk, McNamara and all the traitors in the Federal Agencies . . . *all* of them *must* be tried for TREASON and get the punishment *(Execution, if you please)* for their crimes!

All of the above actions are definitely vital for the salvation of our country — and for your children. Any one of them might well do it, but all of them combined will *positively* do it . . . They are as vital for our salvation as was the coming of Jesus Christ for the salvation of the souls of Mankind.

But, as I have so earnestly pointed out, we cannot depend upon Congress to do it of its own free will. **Your letters to them won't do it! Only RECALL action, as I stressed in the aforegoing pages, will FORCE THEM TO DO IT! ! !**

THREE OBSTACLES WE MUST HURDLE.

In 1949, when we launched the RECALL project to force the bribed and seduced Legislators in California *(and the other States)* to haul in the UWF "RESOLUTION" for a thorough review, we directed our appeal to the women in all the Communi-

TUTORY action, that all betrayals and treasonous actions of the White House and of all Federal Agencies that are in the least in violation of the Constitution under which our Country was formed, are null and void within the jurisdiction of each particular State. Thus all *"Civil Rights Acts," "Immigration Laws,"* all illegal *"Decisions"* by the U. S. Supreme Court and Federal and State Judges will be declared illegal. There are various ways in which such pressures can be exercised: by marches and demonstrations by loyal Americans — by Petitions signed by the voters — **(and, particularly, because every Legislature contains "Liberals" and "One Worlders" who are controlled by the Plotters) by the RECALL movements in the various communities!**

REMEMBER: as far back as 1949 twenty-six Legislatures deliberately plotted to carry out the "United World Federalists" plot — *the RECALL menace stopped them* — and that same menace will now hold *all* of them in line.

In short, we MUST, by personal and financial efforts, FORCE the State governments to exercise their Constitutional rights and powers. Many other methods will occur to the outraged citizens who are losing their freedoms. Such action will prevent Negro riotings, lootings, murders in your Community — it will safeguard your children, it will protect your daughters and your wives from rapings — *it will make the streets of your community safe for all of you!*

I assure you that all this is within the powers of the States — I base my assurance on the 9th and 10th Amendments of the Constitution, which clearly state: **"The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the People." And: "The powers not delegated to the United States (the Federal Government) by the Constitution are reserved to the States respectively, and to the people."**

Thus, you see, we still CAN save our Country through our State Legislatures — *if we ACT now! Failure to do so will mean the end of our beloved Country!*

That is why it is so vital that this REPORT *(and our "News-Bulletins")* should go to every Assemblyman, State Senator and Governor of your State. But we do not have the finances or facilities to accomplish that. So I plead with you to do that job in your State. But if you will send us the names of all of your Legislature members and the necessary financing we will be VERY glad to do it for you . . . *that's another reason why we so badly need your Contributions!*

PLEASE RUSH YOUR 1966 DUES

As I have always told you, we depend upon our membership dues to defray our operational activities. We get no financial help from Foundations — we are too patriotic for them. Now we have this tremendous and tremendously important job to do in 1966. It will require an enormous amount of printing, postage and labor — but I am sure you agree that it is a MUST job. The dues are still only $12.00 per year *(unless you wish to voluntarily increase it.)* If you have not yet sent in your 1966 dues, please do it NOW — TODAY. We need it NOW to cover the tremendous mailing to launch this new RECALL project to smash the Conspiracy — every extra dollar we will receive will enable us to do just that much more. PLEASE DO IT TODAY! — *you may forget TOMORROW!*

CEG IN FIGHT FOREVER

When I say *"forever,"* I mean until we have successfully smashed the Conspiracy. And here is why I say *"forever:"*

During the past 20 years the entire fight has been carried on by the *"Oldsters"* who were fully aware of the insidiousness of the Conspirators and the traitors in Washington — oldsters such as John T. Flynn, Dr. Ed. Rumely, Merwyn K. Hart, Adolphe Menjou, myself, etc. All the younger element had been brainwashed into a deep sleep. But I have always felt we MUST awaken and enlist some of the younger people to take over the leadership. I am a very practical man. I always knew that, sooner or later, God would recall all the oldsters. I am now approaching 79 years in age and I know it will happen to me, too. However, I hasten to assure you that, despite my age, I have lost none of my aggressiveness or my zeal for my Country — my beloved wife, too, has given up everything, *even her health,* to stand side by side with me in the fight. But I am very grateful to Almighty God for having given me another way to keep CEG in the fight *forever.* This is how He did it: I have just one son—Bruce. When he was mustered out of the Air Force after World War II he joined me in my professional work. He is extremely capable — he did superb work — and he had before him a wonderful career on Broadway and in Hollywood. When I decided to get into this fight, he, like my wife, enthusiastically urged me to do so. I pointed out to him that the moment I would reveal the Red Conspiracy in Hollywood I would be completely blacklisted — *despite my background!* And I warned him that if he joined me in the fight, the same thing would happen to him and destroy *his* career. His answer was very quick! *"To blazes (and he didn't use the word blazes) with my career. Until we smash the Conspiracy and save our Country THAT will be my career."* Thus, from 1945, when I entered the fight, until this very moment, Bruce has always been at my side. He is superbly trained for every project and for every move we must launch. Indeed, during the weeks and months that I had to travel, it was Bruce who was operating the home office of CEG.

I have a very vital reason for telling you all this about Bruce. It does not mean that my advancing years have slowed me down one whit— it has not tired me, or even remotely discouraged me about our final victory — I say that because my faith in God is as strong as ever, and I know that He will grant us a final victory — *if we do our shares!* However, I repeat, everything is in God's Hands. But I want you to KNOW that His Will may be— whether my own strength begins to wane, or if it is His Will to finally recall me, CEG will continue to be as strong a fighting force as ever. I want to reassure you — I want you to KNOW that in Bruce Fagan you will have a Leader fully as capable as I have always been —and I urge and pray that you will always have as much faith in him, *until our country is safe,* as you have *(always had)* in me. *I want you to tell him so!*

There is still another very vital reason why I stress and wish to IMPLANT this in your mind: John T. Flynn knew that the fight to save our country would not be completed before God would see fit to recall him, and during his latest years he frequently deplored that he had no son to pick up where he would leave off. Merwyn K. Hart also frequently expressed that same regret. So did many other Oldsters. That is why I am so deeply grateful to God that he blessed me with a son (Bruce), who is not only zealously sharing my mission to keep CEG in the forefront of the fight, but who will carry on where I will have to leave off when God will recall me. He, my son, is the heritage I will leave to the American people—a man who will never let you (our Country) down — or permit all my work to have been in vain. For the love of God, of Country, of your children, please treasure that heritage — and redouble your help to him in the fight he will continue to carry on with CEG.

And bear this in mind: I do not believe that the American people are really apathetic. They have been brainwashed for a half-century and simply do not see the way out. I have supreme confidence in the patriotism of all sections of the American people — and once they are alerted they will really fight. *The struggle is not lost* — and my son, Bruce, often repeats John Paul Jones' cry of: *"We have not yet begun to fight."*

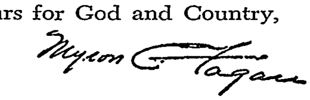

That's why I urge you once again to fight with all your might to create our "RECALL" project — that's why I earnestly urge you to get our *"News-Bulletins"* Nos. 110 and 114 into the hands of every American in your community — *that,* with its DOCUMENTATIONS, *together with the Voting Records of all Members of Congress,* will smash all the brainwashings of our traitorous Mass Communications Media — they will flock into your *"Study Groups"* — they will instill fighting spirits into all Women's Clubs, DAR, American Legion and VFW and their Auxiliaries, and all other loyal American Groups.

Please read again — AND DIGEST — every word in this "Report," and please do everything I request.

And to further help and give us additional courage and enthusiasm, please induce everyone you know to become a member of CEG — and help us to create an invincible Army of Christian Soldiers to save our Country . . . *And please rush your Contributions and 1966 dues!*

In conclusion: **God Love You — and I pray that He will grant you His Divine Inspiration to create that kind of an Army of Christian Soldiers!**

Yours for God and Country,

All our "News-Bulletins" are 50 cents per copy — 25 cents per copy for CEG members. *Please distribute them all over your community . . .* Our Tracts are $2.00 for 100 copies.

Additional copies of this *"Year-End"* Report can be had for 15 cents per copy — or 10 cents in quantities. *This "Report" can help you to interest your friends in our objective!*

Note: Letters to Senators must be addressed to: Senate Office Bldg., Washington, D.C. — to Representatives: House Office Building, Washington, D.C. — to State Legislators: Capitol Building in your State Capitol, unless you have their home address.

ONE MORE VITAL POINT!

Johnson has proclaimed that he did not achieve all of his objectives during the recently closed Session of Congress — and he VOWS that he will FORCE the next session to do it. That's why we MUST start the RECALL movement IMMEDIATELY ! ! ! MCF

ties to spearhead the movement. We urged them to organize House Parties, Luncheons, Garden Parties, etc., etc. We urged heads of Women's Clubs to call special meetings of their members — ditto Heads of the DAR Chapters in their Communities. We urged them to distribute our *"Bulletins"* and *"Tracts"* and then add their own persuasive powers to get all of them to sign the RECALL Petitions.

Now, please bear in mind that I am not for one moment casting the slightest reflection on the loyalty and patriotism of the men. But I know that men have to work all day to provide homes, food and clothing for their families — they just couldn't devote their full time to such a project. In addition, some of the men are employed by Firms and Industrialists who are themselves deep in the Conspiracy — it would mean loss of jobs and other economic pressures. However, once the women started that ball a'rolling, their men, husbands and brothers, the members of the American Legion, VFW, etc., etc., flocked into the movement — and their employers and associates just did not dare to retaliate or threaten . . . **that was why I appealed to the women first — that was how they forced the California Legislature to surrender — that's why I appeal to them now, the men will join them — that's how we can get Congress and all the Legislatures to surrender.**

SECOND OBSTACLE.

In 1949, we found MANY women, especially mothers and grandmothers who knew they were fighting for their helpless children, to spearhead the RECALL movement in their communities, but to help them, my beloved wife, who never left my side throughout our entire fight, and I travelled all over California *(and other States)* and delivered more than 300 speeches before various groups — *and I used my own personal savings to pay the costs* — but I am sure it helped. But that condition is somewhat changed today, to wit: I am now going into my 79th year of age. My zeal for the salvation of our country is as great today as it was in 1949, but I do not have the strength of that year and I MUST preserve all the strength I have left to keep on fighting from my desk. But let me earnestly assure you that my zeal and my efforts will NEVER cease as long as Almighty God will keep me here. Hence, I appeal, oh, how I pray to you that the brave and courageous American women in your committee will find powerful leaders to spearhead and enlist ALL loyal Americans in this RECALL project.

THIRD OBSTACLE

Here is something that should warm the cockles of your American heart — and heighten your fighting strength to achieve our objective: In response to my original RECALL suggestion, I received many letters from women from all parts of the country. They eagerly offer to throw themselves into the fight, but, aside from asking me to come to spearhead it in their communities, many of them ask for directives how to launch the movement — they ask for the RECALL Petition blanks and for other material. They also ask us for the voting records of their Senators and Representatives and the names of the Congressmen who are to be our first RETRACT targets. We can do all that, but that presents our most serious obstacle: we can prepare the Petition — we can provide the Directives, **but we simply do not have the money to pay for the printing, the labor and postage.**

As I frequently pointed out, we use our CEG dues to publish our *"News-Bulletins"* and pay our postage and the salaries for our staff. Even so, some years all the dues are not sufficient to cover our overhead and frequently I have to use much of my once considerable savings to *"carry on."*

To make you understand why I find it so hard to *"carry on,"* let me tell you this: prior to 1945, when I entered this fight, I was a very successful playwright and one of the highest paid writers in Hollywood. Indeed, in those years, I had a fine yearly income, and I truly was a fairly rich man. But when I exposed the Communist Conspiracy in Hollywood and on Broadway, I was immediately *"blacklisted."* No Broadway Producer or theatre owner has dared since then to produce a Fagan play — and every Lot in Hollywood was closed to me. And, you may hardly believe it, but my wife, until then accustomed to all types of luxuries, *said* she didn't care, that all she wanted was the bare necessities of life — *that I must keep up the fight to save our Country* . . . well, you know how any amount of savings, without a yearly income, will evaporate in twenty years.

So now I must make my most earnest plea to you: In addition to being, or becoming a member of CEG at $12.00 per year — to help us in this new project, I appeal to you to send us a CONTRIBUTION for as much as you can! I PROMISE you that every dollar you will send us will be used ONLY for that project. I hope, and expect, that we will have to send out at least a million such Petitions, so you must realize how much help we need — and, REMEMBER — the fight is for your (and my) Country AND FOR YOUR CHILDREN AND GRANDCHILDREN . . . So please, PLEASE send your CONTRIBUTION TODAY, because our time is running very short! . . . and spread the PETITIONS throughout your community.

PLEASE HELP TO UNBRAINWASH THE PEOPLE

Now I have another suggestion: one that will actually stampede all your friends and neighbors to your side and into your fight to FORCE Congress to do what is necessary to save our Country — *once they will fully realize what the Conspirators are trying to do to our Country* — AND TO YOUR CHILDREN.

I can't include that story in this *"Report"* — it is far too long . . . it required two very long *"News-Bulletins"* to tell it. But if you can get copies of those two *"Bulletins"* into the hands of all Mothers, Grandmothers and Fathers you will *talk with*, it will so shock them, so terrify them, make all of them so FIGHTING MAD, that all of them will drop everything to enter this fight.

The first of these two *"News-Bulletins"* is entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE." No. 110. It runs 56 pages and is priced at $1.00 per copy — but as a CEG member you can get as many copies as you can use at 50 cents per copy. This "BULLETIN" reveals *and documents* the entire Conspiracy; the other *"News-Bulletin"* is No. 114 and its title is: "HOW GREATEST WHITE NATIONS WERE MONGRELIZED — THEN NEGROIZED!"

THAT is what the Conspirators are planning for our American Youth— anybody who will read it will be horrified and FIGHTING MAD!

We MUST get copies of *"News-Bulletins"* Nos. 110 and 114 into the hands of *every* loyal American. *Only YOU can do it in your own communities!*

In 1947, when I wrote *"Red Treason in Hollywood,"* the Conspirators, *especially the ADL*, applied amazing and vicious pressures on *all* commercial bookstores and sellers to *"blacklist"* all of our books and *"News-Bulletins."* Believe me, if it were not for that *"blacklist,"* the book sellers would have sold MILLIONS of copies — and the people would surely have become awakened. That's why I say we MUST get millions of copies of Nos. 110 and 114 into the hands of every American — *or even to half of all Americans!* Only YOU can do it — get hundreds, if possible THOUSANDS — of copies and sell, or give them to all the people you try to enlist into your local groups. To give you an idea how VITAL *that* is, the following PROVES it:

Walter Lippman is a notorious anti-American One-World Columnist published by all newspapers. Recently he made a "slip"— he stated *(in so many words)* **"Congress can outline the changes the people want, but local Units must FORCE them to do it." His entire Column virtually confirmed that only RECALL movements will force Congress to do it.** Of course, he did not mention anything about RECALLS.

That is why I plead with you to create those *"local Units"* in your Communities. We (CEG) will help you do it in every way we can.

That brings me back to your *"Contributions."* We are scraping together every dollar we can to get this *"Report"* into every Community. We may be able to get 25,000 copies mailed out to members and non-members of CEG who are in contact with us. But I want to get out at least 200,000 copies to others who have frequently contacted us. We can't do it without your help — *your contributions! So, please, PLEASE help us!* Whether you can send us only ten dollars, or a hundred dollars, or a thousand dollars, I assure you it will do a great job of alerting the people . . . Also you may have friends and neighbors you'd like to *"alert"* with this *"Report,"* but can't spare the time, or you may find it advisable to be anonymous — if so, send us your lists and we will be happy to do it for you. $1.00 will finance ten letters — $10.00 will finance 100 letters — $100 will finance 1,000 letters.

And please, PLEASE get busy NOW to organize your *local units* to work on the RECALL movement!

WE MUST GET COPIES TO CONGRESSMEN

First of all, we MUST get a copy of this *"Report"* into the hands of every member of both Houses of Congress. That will have a terrific effect on all of them — as it will be their first warning of what will happen to the disloyal ones. Furthermore, as I have stated many times, as a result of our various *"Reports"* all members were deluged by letters from their constituents. In the past, many Congressmen, particularly the "LIBERALS," used to brush off those letters with a *"form"* alibi to the effect that they knew nothing of the CEG objectives mentioned in the letters. Two years ago we decided to *kill* their alibis by sending copies of each *"News-Bulletin"* and SPECIAL to all members of Congress and to all heads of the various Federal Agencies. It was very effective. We MUST continue that operation this year. But that, too, is a very costly matter, as all such mailings must go first class. In that year our members very generously contributed to that cost. Now I appeal to you to do that again — *any amount you contribute will be a God-send* — and convince Congress we mean BUSINESS! *Please issue an individual check and identify its purpose.*

TO MEMBERS OF ALL LEGISLATURES TOO

No matter what our RECALL movement will accomplish with the men in Washington, we have still another recourse — *a very powerful recourse — the powers of the Legislatures of our 50 Sovereign States.* We must place the utmost pressures upon the Governors and Legislatures of each State, to declare by STA-

At this point I wish to express my very deep appreciation of the aid provided by LIBERTY LOBBY in our compilation of the Voting Records of the members of both Houses of Congress. To that I will add the fact that *"Liberty Lobby"* provides a cryptic analysis of each of the *appalling Bills for which Congress voted in* 1965. You can find it in their issue of their very recent *"Liberty Ledger,"* which also includes the voting records of all members of Congress. I urge you to get a copy for a full comprehension of the treason they committed and why you MUST NOT re-elect those men on election day in this year of 1966. You can get a copy for 50 cents by writing to: LIBERTY LOBBY, 300 Independence Ave., S. E., Washington, D.C. 20003.

But to START our fight to destroy the entire Conspiracy we MUST launch the RECALL of the worst of them NOW . . . *WILLIS of Louisiana MUST be RECALLED!* My reason for stressing the RECALL of Congressman Willis is this: He is Chairman of the "House Committee on Un-American Activities." When Parnell Thomas was Chairman, that Committee loyally and zealously unmasked the Reds in the Red Conspiracy in Hollywood and accomplished many good objectives. But Willis has balked all Bills demanding investigation of the UN, the CFR, the ADA, the ADL and the various traitors in Washington — that's just one reason why his constituents MUST RECALL him NOW and deprive him of that power!

In conclusion: any loyal American who does not join in this fight and the RECALL movement will have no one but himself to blame if our Country is destroyed — and their children are deprived of the Freedoms our forefathers provided for us.

Get as many copies of this REPORT as you can afford and get it to the attention of every loyal American in your Community— **start the RECALL movement NOW!**

THE PLAN FOR FINAL SURRENDER ! ! !

———•———

If the voting records and all of the preceding information is not enough to convince and AROUSE you, GET THE FOLLOWING:

From a highly reliable source in Washington, we are informed that Johnson is now being advised (INSTRUCTED) to de-emphasize U. S. military ties with West Europe and to draw closer to MOSCOW and Red China.

Delegates to a White House so-called Conference on International Cooperation were told that the United States could further world peace by postponing development of an anti-missile defense network. This incredibly horrifying *"recommendation"* was delivered by a 16-man Presidential panel headed by, of all men, *One-Worlder* Jerome Wiesner, dean of the Massachusetts Institute of Technology and Roswell L. Gilpatrick, a former Deputy Secretary of Defense. Other members of this *"citizens group"* included Vernon Ferwerda *(get this)*, an official of the COUNCIL OF CHURCHES, the Rev. Richard Spillane, of the Utah Peace Research Institute and Harold Stassen, one time CFR's Presidential choice.

This Presidential panel argued that deployment of an anti-missile defense would be "provocative" in that it would encourage Moscow to develop more sophisticated weapons of their— **this panel "hush-hushed" the fact that Moscow already has such a "defense" all set up and ready for "push-button operation" ! ! !**

The Panelists urged a three-year U.S.-MOSCOW *"moratorium"* on the production and deployment of all anti-missile systems— despite Moscow's anti-missile defense system already in operation for more than three years.

This same Wiesner has always fought development of an anti-missile defense for the U. S. At the same time he has called upon Moscow to achieve a military offense second to none.

In a speech before the Pugwash disarmament conference in Moscow in November, 1960, Wiesner said world peace would be encouraged if Moscow developed a nuclear capacity equal to, *or greater than*, that of the U.S. He urged Moscow to harden their own missile sights—*"to safeguard from enemy attack,"* he said—presumably, he meant the U.S. to be the *"enemy."*

Wiesner travelled to Moscow as an unofficial envoy of the then President-elect John Kennedy . . . *which meant, on orders of the CFR!* He was accompanied by Walt Whitman Roslow, the M.I.T. Professor, another "One-Worlder," later named State Department planning counselor by *"Martyr"* Kennedy.

———•———

Now do you know why "Strange" McNamara, supported by Johnson, Rusk and the other traitors, is ordering the closing down and/or destroying many hundreds (the majority) of our Air Bases? . . . Now do you know why thousands of our Bombers and planes are being destroyed by fire? . . . Now do you know we do not have sufficient planes for the types of planes we need in the Viet Nam "No win" war — not even replacements for those we are losing in the battles?

Recently, despite all efforts to keep it *"hush-hush,"* the Press had to front page the "Furor Over Bombers" — which means that at *long last* the people are beginning to smell the STENCH of the betrayals, but unfortunately they dont' know what it is all about . . . they are beginning to realize that there is *"something very rotten"* in Washington, but don't know WHAT!

Now do you realize that we can't let another day, another hour, go by without putting our RECALL project into operation?

———•———

CONCENTRATION IS VITAL

———•———

As I have previously stated, efforts to RECALL all *"minus"* Representatives and Senators would be weakened and this be ineffective — we must drive those men out of Congress on the next election day. But if we CONCENTRATE on a few of the vicious betrayers and succeed in RECALLING just three or four, or even two, it will have a terrific impact on *all* of them — they will know that they will be defeated on election unless they fully correct their votings in this year of 1966.

Our most important target for the immediate RECALL is Rep. Edwin E. Willis, of Louisiana, for the reasons I have already stated. Such a RECALL will automatically restore the *"House Committee on Un-American Activities"* to the powerful instrument it was under the Chairmanship of Parnell Thomas. THE RECALL OF WILLIS is a MUST!

Another vital RECALL target is Sen. Fulbright, whose secret MEMORANDUMS have been a dire menace to the security of our nation and the Freedoms of our people . . . Still another target is Sen. Kuchel of California, whose voting record is appalling and who brazenly branded all patriots as *"Fright Peddlers"* . . . still another target is Sen. Symington, who led in the destruction of Joe McCarthy and invalidated all of McCarthy's patriotic revelations . . . still another VERY vital target is Emmanuel Celler, who "bottles" up all important Bills in the Judiciary Committee . . . equally so, Jake Javits. There are many others, such as Hale Boggs of Louisiana, Pat McNamara, the Kennedy boys, etc. *But, by all means, concentrate on Willis, Fulbright and Kuchel!*

JUDGE THEM BY THEIR RECORDS!

Following are the voting records, percentage-wise, of all members of both Houses of Congress. The records are based on how they voted for or against the most important Bills during the 1965 session. In compiling these records, we concentrated on the Legislation that was intended to serve the objectives of the Masters of the Great Conspiracy (CFR-ADA) and Johnson . . . We are not interested in Party Labels, Democratic or Republican — only how they voted.

Unquestionably, the votes of many of these men you elected to represent you SHOWS that their votings during 1965, *on orders from Johnson and the ADA,* to help the CFR carry forward their Conspiracy to destroy our nation is the most appalling record in the entire history of our nation . . . *Read their voting records* — AND THEN JUDGE THEM BY THEIR DEEDS! ! !

Following are the records, percentage-wise, of all members of both Houses of Congress in 1965. In compiling those records we concentrated on the Legislation that was positively intended to serve the objectives of the Masters of the Great Conspiracy (CFR-ADA) and FORCED by Johnson and his cabal of traitors in Washington — also by the *willing* traitors in both Houses . . . We are not interested in Party Labels, Democrat or Republican. It will show YOU how the men YOU elected have been betraying you and our Country.

The reason all the pro-Red and One-World stooges in Congress are constantly being re-elected by YOU is because you and *all* their constituents do not realize how *pro-Red* they are — *and they depend upon the Mass Communications Media to keep you unaware!* I am sure that all loyal Americans in all of our communities are horrified and ashamed by what happened in 1965. *And the plans for* 1966 *are even more appalling!* But this record will enable you to purge all such traitors out of Congress. This, of course, also goes for JOHNSON, WARREN, RUSK, McNAMARA, etc., etc.

Key to SYMBOLS for House and Senate are: (+) indicates votes AGAINST CFR-ADA-JOHNSON *"Liberal"* policies . . . (—) indicates votes FOR CFR-ADA-JOHNSON *"Liberal"* policies — we MUST purge EVERY Minus voting member! ! ! . . . That, of course, means on the next (1966) election day — *but, in the meantime, we must throw the fear of God and the American people into ALL Members by starting RECALL movements IMMEDIATELY against the worst of them!* Even a half-dozen, even two or three successful RECALLS will start an immediate panic!

In the following list you will find the records of the Senators— and we do not indicate which is a Republican and which is a Democrat . . . because the votings of some of the Republicans, such as Javits and Kuchel are just as appalling and treasonous as the worst of the Democrats.

Attn: Mr. J. Edgar Hoover

Gentlemen:

marion

The inclosed leaflet "The Strange Case of Marian Miller" was received by me from Myron Fagan. He also sent me a letter indicating he has letters from the FBI, Washington, D. C. and Los Angeles, California stating that Marian Miller was not an FBI agent but that she supplied information to the FBI for remuneration while she was a member of the Communist party.

Just late ly I received an invitation from the San Diego Patriotic Society to attend a dinner at which Marian Miller is to make a patriotic speech. The Patriotic Society back up their invitation with a copy of a letter from the EBI praising Marian Miller as a wonderful patriot (the letter was addressed to Marian Miller).

I am confused. Will you kindly clarify this matter for me?

Sincerely,

THE STRANGE CASE OF MARIAN MILLER

Recently I was astounded by a report that one Marian Miller is seeking nomination for election to the Los Angeles School Board.

Now, in our still free country, everybody has the right to seek anything he or she desires, but, by the same token, I feel that I have the right to show those who might consider voting for her the Marian Miller as she is, not as she pretends to be. So, first of all, I will quote from our January (1962) "Year-End Report" — as follows:

"Several years ago a nondescript Los Angeles housewife, one Marian Miller, gave out a story to her friends and neighbors that she had been a member of the Communist Party — at the behest of the FBI . . . . on a few occasions she hinted (confidentially, of course) that the 'behest' came in the form of a 'plea' direct from J. Edgar Hoover.

"That was her story. But some of her neighbors stated that she had been a member of the Party long before she ever contacted the FBI. However, let's give her the benefit of the doubt and assume that those 'nasty' neighbors were just jealous and envious of her sudden (self-proclaimed) 'fame'. Be that as it may, she decided to transform that 'fame' into a 'career' for herself. Signing (and billing) herself 'Marian (FBI) Miller,' she began to seek opportunities to 'speak' at patriotic groups and Church meetings. She was aided in those efforts by functionaries of the ADL — and by Morrie Ryskind, now a columnist of sorts on the L. A. Times. Ryskind proclaimed himself to be an ardent Anti-Communist — but he doesn't hesitate (when he feels sure he won't be caught) to apply the 'anti-semitic smear' on any Anti-Communist so branded by the ADL.

During her 'speeches' La Miller finds opportunities to launch a 'smear' attack on 'Myron C. Fagan' and his 'RED STARS' Tract . . . . and I have authoritative information that Ryskind had teamed up with her in at least one such attack!

"Being a complete nonentity, and only able to mouth the ADL concocted 'smears' her attacks carried no weight." . . . .

But late in 1961 the California Senate Fact-Finding Subcommittee on Un-American Activities (CUAC) annual "Report" contained *"a damn with faint praise"* criticism of our "Red Stars Tract," charging that it includes names of celebrities who, in fact (according to CUAC), are ardent anti-Communists. At a press conference, immediately following the "Report," I quickly *proved* the falseness of that charge — with documentary evidence derived from CUAC's own files. My rebuttal was front-paged in all the Los Angeles newspapers — but La Miller utterly disregarded my rebuttal . . . .

"That 'Report' provided her with a near-perfect 'smear' weapon. She promptly lifted that section in the 'Report' that was devoted to 'Myron C. Fagan and CEG,' had it reprinted in pamphlet form, and launched a mailing campaign to various parts of the country. Each copy was accompanied by a personal letter reeking venomous hatred, part of which ran as follows: 'Fagan just isn't accepted among us legitimate and reputable Anti-Communist Freedom fighters . . . . he is a notorious anti-semite and hate-monger . . . . the enclosed report explains why he isn't accepted.'

At this point I'd like to get answers to two questions: 1) I don't know this woman — never laid eyes on her — never spoke with her — certainly I never harmed her, yet she spews venomous hatred for me — WHY? . . . . 2) That mailing 'crusade', involving the printing of the pamphlet, letters, postage, etc., must have been expensive — who paid for it? I'll give you just one guess.

In the midst of all this, she suddenly found a new 'front' on which to launch an attack.

Shortly after my "DOCUMENTATIONS" book came off the press, a number of news-papers in California, Louisiana, Texas and other states, despite frantic efforts by the Hollywood Moguls and the ADL to prevent it, published glowing reviews of the book. Those reviews created instantaneous panic wherever they appeared. Within an hour after the first editions hit the streets frantic protests came pouring into the Editors' offices — they came from theatre owners, Film Exchanges, Broadcasting Stations, from the ADL . . . . and from self-described 'outraged citizens' — but their anguished 'protests' were verbatim quotes from the ADL files! . . . The Miller woman was one of the most frantic of the 'outraged citizens.'

In addition to her 'speaking' engagements in the L. A. area, she travels to other cities — in Florida, Texas, various States — to 'speak' and to promote a book she wrote, which she calls "I Was A Spy." In those travels, wherever she saw a "DOCUMENTATIONS" review it sent her into a complete tizzy — she promptly phoned, or rushed to the office of the Editor, to hysterically berate him for publishing such a review. When asked why she was so concerned about it, she launched into her well-rehearsed 'anti-semitic' tirade. When asked to point to any 'anti-semitic' passages in the book, she spluttered that 'the author is anti-semitic,' and, by that token (her idea), no book or play by Myron C. Fagan should ever get mention in any newspaper — unless, of course, to tear it to shreds. When asked to show PROOF that Myron C. Fagan is 'anti-semitic,' she produced a copy of the CUAC phony 'Report' — and then triumphantly topped it with copies of a now defunct smear sheet which had carried a similar 'charge' — this 'defunct' as a result of a libel suit we filed against it.

Such are the fanatical fulminations of this little female nonentity who would like to convince us that she is a VIP by billing herself

62-87267-1006

ENCLOSURE

as "Marian (FBI) Millier," when it actually should be "Marian (ADL) Miller." . . . . end of quote.

Some months later, for whatever his reason may have been, Ronald Reagan, whose phony opportunism I had frequently cited, decided to give our *"heroine"* some added glorification. Reagan, in his then capacity as producer of TV shows for "General Electric," produced two TV shows, shown a week apart, which *(so he announced)* portrayed her *"actual heroic deeds"* in the service of the FBI . . . . *and, boy, they were hair-raisingly "heroic acts!"*

But there were some peculiar shifts in the entire *"story,"* to wit: The Miller woman's purported undercover Communist membership activities were confined to Los Angeles — but Reagan changed the locale to Chicago. WHY? In his pre-showing publicity, Reagan proclaimed that it was the story of *"a simple and unknown little housewife."* In the show he *"revealed"* her to be a famous concert pianist. Now, during most of La Miller's so-called *"undercover"* activities, her husband was on the high seas, working as a deck hand in the merchant marine, but in recent months, in *"personal appearances"* with his wife, he has had himself introduced as *"Paul Miller, a retired Navy man"* — and, *at least by strong innuendoes,* claims that he, too, was an *"undercover FBI agent"* . . . . and in the TV shows Miller, portrayed by Reagan, was a highly successful architect or artist. WHY? Was it to substantiate — *and glamorize* — all those phony claims?

However, there was a strange aftermath to those two TV shows — shortly after the showings *"General Electric"* suddenly announced that they were *"discontinuing the Ronald Reagan shows."*

We wondered about the reason for it. And then an item in the press gave us the answer. That item announced that Film Producer James R. Beardsley was suing Reagan and the two Millers for $500,000. The charge was PLAGIARISM. Beardsley charged that all those *"heroic deeds"* attributed to Marian Miller in "MY DARK DAYS" *(title of the two TV shows)* were *"lifted"* from an old Film entitled "UNDERGROUND USA," which he had produced some years ago — and to which he still holds exclusive rights. The suit is on file in the Los Angeles Superior Court.

Now I will let you decide how much of La Miller's entire story is truth and how much is fiction.

But, wait! Now comes the real topper: I have in my possession a letter on FBI stationery, signed "John Edgar Hoover," in which he stated that for a period in the early 1950s Marian Miller provided the FBI with information *"for which she was compensated,"* but that she never was an Agent of the Bureau (FBI) . . . . thus that *"Marian (FBI) Miller"* is another obvious bit of fiction.

Such is the very strange case of Marian Miller . . . . and I repeat the question: how much of her *"story"* is truth — and how much is fiction?

Anyway, now she is trying to cash it in for a place on our School Board. Decide for yourself if she rates the post.

Sincerely yours,

Myron C. Fagan

P.S. Incidentally, if my endorsement means anything, I'd very much prefer to see Mr. Gerald E. Schmitt and Mr. Frederic A. Wyatt on the L. A. School Board.

Dear Sir:

I would like to know if the files of the United States Attorney General or the House Un-American Activities Committee shows Hollywood Actor Mr. Gregory Peck a supporter or a member of any organization which is listed on DD Form 48-1 "Certificate of Nonaffiliation with Certain organization." I understand from reading a Myron C. Fagan Documentation of Reds & Fellow Travellers in Hollywood and TV that Mr. Peck has supported Communist fronts and causes such as "Sponsor Committee for a Democractic For Eastern Policy."

Being a member of [redacted], I have been making a few talks on Communism. In the future I plan to continue on this subject.

In the April Issue of The "Toastmaster", official publication of Toastmasters International, Inc. there is an article my Gregory Peck on "Cancer." Now, Mr. Peck is the National Crusade Chairman of the American Cancer Society. A man who is deeply concerned with the Cancer problem as he is, surly could not be the same Gregory Peck who's name has been a great boon to the Communists. Whether innocently or otherwise, Mr. Peck has helped to make it easy for Communists to raise money and to promote their fronts and causes.

REC-43 62-87267-1007

Sir, can you furnish me any information on Mr. Peck, if he is a member of any of the Red Fronts or if Mr. M. C. Fagan has some bad information of him.

Thank you for your great service to this United States of ours, and Thank you for any information you may be able to furnish me, I remain yours Truly,

Mr. J. Edgar Hoover

Dear Mr. Hoover:

In our American History class we just finished studying and handing in journals on Communism. In one report were the names of twenty television and movie stars that are communists. I was shocked at the names that were on this list! I have enclosed a copy of this report in hopes that you will let me know if these people are communists or communist sympathizers.

Please send detailed information on just how Communism is working in televison, on movie screens, and on radios, and also information on how we can combat this type of communism in America.

Yours truly,

Communists in Hollywood

In 1947 Marian D. Fagan went into extensive research about the Communist Party in Hollywood. Fagan found that Communism is being brought into every home and is being used to brainwash our own children in front of our very eyes. Communism is coming into our homes via our own televisions and radios and on the movie screens of today. When he disclosed these facts, it literally rocked the nation. He said the only way we could be rid of these people would be to refuse to buy the products of their sponsors. We must watch the programs to see who their sponsors are and then refuse to support their products and not go to their movies.

A few of the Communists are as follows:

Lauren Becall	Sidney Poitier
Lucille Ball	Bette Davis
Peter Lorrie	Kirk Douglas
Peter Lawford	Olivia deHaviland
Danny Kaye	Douglas Fairbanks Jr.
Chet Huntley	Gregory Peck
Charlie Chaplin	Shelley Winters
Oscar Hammerstein II	Jane Wyman
Leonard Bernstein	Claudette Colbert
Lena Horn	Ed Sullivan

Dear Sir:

These phamphlets have been brought to our attention and we believe they should be brought to yours.

We would like to know if there is any truth to either of them, and if so, how do they get away with it?

First, the phamphlet on TV and movie stars and even the most well known news commentators, second, the truth about these civil right marches and the so called Negro civil rights leader, Martin Luther King? We think all Americans should be told the truth, no matter how shocking it could be.

Thank you.

Gentlemen:

Before the close of the school term in June of this year, the enclosed pamphlet was passed out to the school children. My child brought this one hom. It is a scathing attack upon the well known people named. What begins as a warning against communism soon degenerates to a facists orientation with its major premise being that anyone in sympathy with the civil rights movement is by association a communist.

I am writing to ask about the validity of the article and also to ask for information about the "Cinema Educational Guild, Inc." Can you give me some information?

As you know, there is an active KKK in this area, and they may have distributed the pamphlet. While I do not believe there is a large number of active members in this area, the Klan has the sympathy of a vast majority of the peopl e----church people included!

[redacted], who is greatly concerned and somewhat alarmed at the possibility of future turmoil in this area of Southside Virginia, I am writing to call this pamphlet to your attention, and to ask about its validity. I wait your reply. If I can assist you, please do not hesitate to call upon me. I appreciate what your department is trying to do and the many difficulties you face with the countless problems in our society today.

Very truly yours,

[redacted]
